YOU ALL UNDERSTOOD THE ASSIGNMENT!

December was a month of giving- ELC families helping ELC families- and you all BLEW us away with your generosity! The Food Drive was a huge success! Our Helping Hands Club here at The ELC is making HUGE impacts across the community this holiday season! They conducted a food drive for the local pantry to help those in need during the holidays and cold winter months and look at all the items they brought in! We thank you for your food donations!

Our toy drive was also a huge success! Mrs. Helminski headed up the toy drive and has a special message to you all.

"WOW! I am overwhelmed by the generosity of the ELC families. Hobart Tri Kappa and I thank you immensely for the AMAZING toy donations. These toys will help bring lots of smiles Christmas morning for approximately 500 Hobart children. "

~ Mrs. Helminski

You all are amazing and we are so proud of all you did this holiday season to help those around you!

READING RIGHT ALONG

Your kindergartener is becoming a reader! By the end of the semester your child is expected to be able to read books at a level A and be able to read 14 sight words which are listed below.

The list of sight words doubles by the end of the third quarter. By the end of the year your child will know nearly 40 sight words and reading a level C independently. Be ready to be impressed by just how much your child will learn in the last semester in kindergarten. This will be an important time of learning for your child, help support their achievement by committing to the weekly word wall contract and making reading a habit in your home. You can help with your child's learning by practicing sight words each night, listening to them read, and reading and discussing books with them. It doesn't have to be the same thing each day, however reading should be included in your routine at home every day to insure success for your child.

FIRST AND SECOND QUARTER SIGHT WORDS

**I

Mom
Dad

**We

**cat

Help your child with these using activities from your weekly packet and word wall contract. These are high frequency words that will have your child reading on their own and meeting those learning goals!

<p>Keying Words ***</p> <p>Recognize short vowel sounds</p>	<p>numbers 11-20 *****</p> <p>model and discuss subtraction using objects within 10</p>
<p>THIRD QUARTER LEARNING #GOALS</p>	<p>Write a complete sentence.</p>
<p>Write numbers 0-20 ***** Count to 100</p>	<p>Retell stories ****</p> <p>Answer simple questions about a sentence or story</p>

Nightly activities to boost achievement in Kindergarten

Your child needs your help to achieve their learning goals in Kindergarten! Take time each day to review those sight words with these fun activities...

Add rewards for progress like stickers or a favorite activity! This reinforces the value you have for your child's learning!

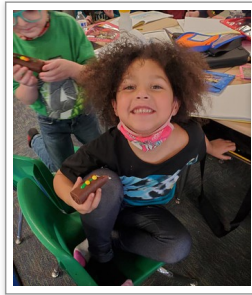

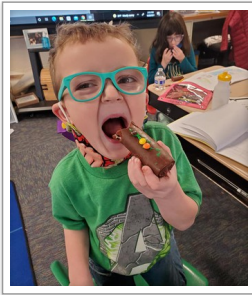

Have your child find their sight words in a book, newspaper or magazine.

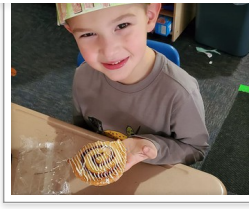

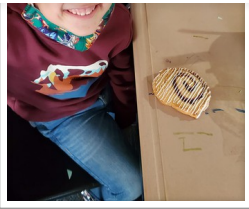

Practice making/writing word with markers, playdoh, magnetic letters, noodles or shaving cream. Take it outside with sidewalk chalk or snow!

STUDENTS "TRAVELED THE WORLD" THIS HOLIDAY SEASON!

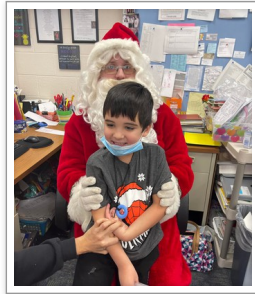

enjoyed stories, crafts, songs, and traditions that children in each country engage in for the holidays.

COOKIES WITH SANTA!!

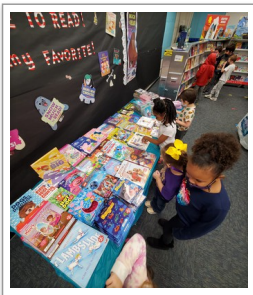

BOOK FAIR SUCCESS!!

Thank you, thank you, THANK YOU! Our winter Book Fair was a great success! Thank you to all that sent money in for your child to shop and to all of you that volunteered your time to help out! There were SO MANY HAPPY kiddos and my heart was full seeing all the excitement the kiddos had over their new books! I also loved how many shopped for little brothers and sisters who were at home. They were so excited to take that perfect book they picked out for them home! Thank you all for making my first ever book fair a great success!

WE DO GO OUTSIDE TO PLAY!!!

As long as the real feel is above 20 degrees, we do go outside to play for recess! Please make sure your child has all the things needed for the cold. If you need assistance with obtaining any items for your child, please reach out to us at 942-7263.

The children may also play in the snow when we have it. To play in the snow, they **MUST HAVE** a winter coat, winter boots (NOT fashion boots), gloves, and a hat. It is a good idea to keep these items in a separate bag and teach them how to take the things off and place them in the bag as to not loose things. As with all their things, make sure they have their name on the tags for if they happen to get misplaced.

IT'S SNOWING!!

It is the kids FAVORITE time of year! Snow on the playground!! We do go outside for at least one recess as long as the real feel is above 20 degrees. To play in the snow, the kids MUST have SNOW PANTS, SNOW BOOTS (not fashion boots), a winter coat, gloves, and a hat. If they don't have all these items, they cannot play in the snow!

Thanks parents.

PARENTS

Please label all items that come to school!

This is the only way we can assure your child's things are not lost

EMERGENCY SCHOOL CLOSING INFORMATION FOR BAD WEATHER

Please take a minute to familiarize yourself with our district's plan and policy on weather related school closings on our [website](#). Should we need to cancel or delay school due to inclement weather, our district homepage will be updated with a pop up window that appears

to 11:00. Buses will arrive 2 hours later and breakfast will not be served, as we will be starting lunches upon arrival.

Emergency School Closing Information

Whether we are ready for it or not, winter is here and we want you to be informed should there be a need to delay or close our schools.

The School City of Hobart's first priority is the safety of our students and personnel. We encourage you to have a plan in place for school delays, cancellations, and emergency dismissal situations. There are many factors that go into the decision to close or delay the opening of school. It is important for you to know this process, our guidelines, and to also have the Here Comes the Bus app active on your devices.

Please visit
www.hobart.k12.in.us/schoolclosings
