General Policy Statement

It is the policy of the School Board to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School Corporation operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against discriminatory harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age, religion, ancestry, or genetic information (collectively, "Protected Classes") that are protected by Federal civil rights laws (hereinafter referred to as "unlawful harassment") and encourages those within the Corporation community as well as Third Parties who feel aggrieved to seek assistance to rectify such problems.

The Board will investigate all allegations of harassment and, in those cases where unlawful harassment is substantiated, take immediate steps to end the harassment, prevent its reoccurrence, and remedy its effects.

Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

The Corporation will offer counseling services to any person found to have been subjected to unlawful harassment and, where appropriate, the person(s) who committed the unlawful harassment.

~~It is the policy of the Board of School Trustees to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment, occurring in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment (hereinafter referred to collectively as "unlawful harassment"). This commitment applies to all Corporation operations, employment opportunities, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment occurring in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct affects the Corporation environment.~~

~~The Board will vigorously enforce its prohibition against unlawful harassment (see definition above), which is based on race, color, national origin, sex, religion, disability, military status, ancestry, or genetic information that are classes protected by Federal and/or State civil rights laws (hereinafter referred to as "Protected Classes"), and encourages those within the Corporation community as well as third parties who feel aggrieved to seek assistance to rectify such problems occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment.~~

~~All Corporation employees, including administrators, professional staff and support staff, shall report any incident of alleged unlawful harassment (see definition above) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment that the employee observes or which is reported to the employee.~~

~~The Board will investigate all allegations of unlawful harassment (see definition on page 1) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment and, in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects.~~

~~Individuals who are found to have engaged in unlawful harassment (see definition on page 1) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment will be subject to appropriate disciplinary action, up to and including termination of employment or expulsion from school.~~

~~Furthermore, Corporation employees who fail to report any incident of alleged unlawful harassment (see definition on page 1) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment that the employee observes or which is reported to the employee also are subject to appropriate disciplinary action, up to and including termination of employment.~~

~~For purposes of this policy, "Corporation community" means students, administrators, teachers, and staff, as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.~~

~~For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on Corporation property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the Corporation community at school-related events/activities (whether on or off Corporation property).~~

Bullying rises to the level of unlawful harassment (see definition on page 1) when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students with the intent to harass, ridicule, humiliate, intimidate or harm that/those student(s), and that bullying is based upon sex, race, color, national origin, religion, or disability, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;
- H. sexual violence;
- I. theft;
- J. sexual, religious, or racial harassment;
- K. public humiliation; or
- L. destruction of property.

In the bullying context, "harassment" means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student that:

- A. places a student in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, "sexual harassment" is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment.
- B. Submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual.
- C. Such conduct has the purpose or effect of interfering with the individual's work performance or of creating an intimidating, hostile, or offensive working environment.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy/AG 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, i.e., sexual harassment prohibited by Title IX, is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266/AG 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include but are not limited to:

Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972, "sexual harassment" is defined as:

In the case of a child under fourteen (14) years of age, the person also may be guilty of "child molesting" under I.C. 35-42-4-3. In the case of a child between the ages of fourteen (14) and sixteen (16), the person also may be guilty of "sexual misconduct with a minor" under I.C. 35-42-4-9. The issue of consent is irrelevant in regard to the latter two (2) criminal charges. Any employee accused of sexual relations with a student may be placed on leave until school administrative proceedings are completed. Proven sexual relationships with a student regardless of the age of the student will initiate the termination process for the employee.**~~

harassment on the basis of a protected class.

The COs will oversee the investigation of any complaints of harassment based on a protected class which may be filed pursuant to the Board's adopted internal complaint procedure (see below) and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging harassment based on a protected class.

Reports and Complaints of Unlawful Harassment and Retaliation

Students and Corporation employees are required, and all other members of the Corporation community and Third Parties are encouraged, to promptly report incidents of harassment based on a protected class to an administrator, supervisor, or other Corporation official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any teacher, administrator, supervisor, or other Corporation employee or official who receives such a complaint shall file it with the CO within two (2) business days. [NOTE: while students are advised to report discrimination/retaliation to administrators, supervisors, or other Corporation officials, the Board recognizes that some students may report discrimination/retaliation to a teacher. When a teacher receives such a report, the teacher must file it with the CO as indicated above.]

Members of the Corporation community and Third Parties who believe they have been unlawfully harassed by another member of the Corporation community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to harassment on the basis of a protected class. The COs shall accept reports of unlawful harassment directly from any member of the Corporation community or a Third Party and such reports that initially are made to another Corporation employee. Upon receipt of a report of alleged harassment, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged harassment) or designate a specific individual to conduct such a process.

The CO will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All members of the Corporation community must report incidents of harassment based on a protected class that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Corporation employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to a CO within two business (2) days. Additionally, any Corporation employee who observes an act of unlawful harassment is expected to intervene to stop the harassment unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Corporation employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the CO or designee must contact the Complainant if age eighteen (18) or older or the Complainant's parents/guardians if the Complainant is under the age eighteen (18) within two (2) days to advise of the Board's intent to investigate the alleged harassment.

Investigation and Complaint Procedure (See Form 1662 F1)

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Program or Activities, any employee or other member of the Corporation community or Third Party (e.g., visitor to the Corporation) who alleges to have been subjected to unlawful harassment or retaliation may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of harassment based on a protected class or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available.

Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education, Office for Civil Rights ("OCR"), the Indiana Civil Rights Commission ("ICRC") or the Equal Employment Opportunity Commission ("EEOC"). The Chicago Office of the OCR can be reached at John C. Kluczynski Federal Building, 230 S. Dearborn Street, 37th Floor, Chicago, IL 60604; Telephone: 312-730-1560; FAX: 312-730-1576; TDD: 800-877-8339; Email: OCR.Chicago@ed.gov; Web: <http://www.ed.gov/ocr>.

The names, titles, and contact information for the Compliance Officers will be published annually in the student, parent, and staff handbooks and on the School Corporation's web site.

The Compliance Officers will be available during regular school/work hours to discuss concerns related to "unlawful harassment" (see definition on page 1), to assist students, other members of the School Corporation community and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the student.

Any Corporation employee who directly observes unlawful harassment (see definition on page 1) of a student is obligated, in accordance with this policy, to report such observations to one (1) of the Compliance Officers within two (2) business days. Thereafter, the Compliance Officer or designee must contact the student if age eighteen (18) or older, or the student's parents if under the age of eighteen (18) within two (2) business days to advise him/her/them of the Corporation's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or his/her designee to conduct an investigation following all the procedures outlined in this policy for a formal complaint. Additionally, if the alleged harasser is a student, the Compliance Officer or designee must contact the student, if age eighteen (18) or older, or the student's parents if under the age of eighteen (18), within two (2) business days to advise him/her/them of the Corporation's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or designee to conduct an investigation following all the procedures outlined for a formal complaint. However, all complaints of harassment involving a Corporation employee or any other adult member of the Corporation community against a student will be formally investigated.

The Compliance Officers are assigned to accept complaints of unlawful harassment (see definition on page 1) directly from any member of the School Corporation community or a visitor to the Corporation, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a Compliance Officer will begin either an informal or formal process (depending on the request of the member of the School Corporation community alleging harassment or the nature of the alleged harassment), or the Compliance Officer will designate a specific individual to conduct such a process. In the case of a formal complaint, the Compliance Officer will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. However, if the alleged harasser is the Superintendent, the recommendations shall be submitted to the Board President.

All Corporation employees must report incidents of unlawful harassment (see definition on page 1) that they observe or that are reported to them to the Compliance Officer within two (2) business days of learning of the incident.

Investigation and Complaint Procedure (see Form 1662-F1)

Any employee or other member of the Corporation community or third party (e.g., visitor to the Corporation) who believes that s/he has been subjected to unlawful harassment (see definition on page 1) may seek resolution of his/her complaint through either the informal or formal procedures as described below. Further, a process for investigating claims of unlawful harassment (see definition on page 1) and a process for rendering a decision regarding whether the claim of unlawful harassment (see definition on page 1) was substantiated are set forth below.

Due to the sensitivity surrounding complaints of unlawful harassment (see definition on page 1), time lines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The informal and formal procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), or to file a concurrent criminal complaint with the law enforcement agency having jurisdiction.

Informal Complaint Procedure

The goal of the informal complaint procedure is to stop inappropriate behavior and/or unlawful harassment (see definition on page 1) and to investigate and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee who believes s/he has been unlawfully harassed or retaliated against in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment. This informal procedure is not required as a precursor to the filing of a formal complaint and/or filing a concurrent criminal complaint, and will be used only where the parties (alleged target of harassment and alleged harasser(s)) agree to participate in such process. Employees, other members of the Corporation community, or third parties who believe that they have been subjected to unlawful harassment (see definition on page 1) or retaliated against may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint procedure.

However, all complaints of unlawful harassment (see definition on page 1) involving a Corporation employee, any adult member of the Corporation community, or a third party against a student will be formally investigated. Similarly, any allegations of sexual violence will be formally investigated.

As an initial course of action, if an individual feels that s/he is being unlawfully harassed (see definition on page 1) and s/he is able and feels safe doing so, the individual should tell or otherwise inform the harasser that the conduct is unwelcome and must stop. Such direct communication should not be utilized in circumstances involving sexual violence. The complaining individual should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officer(s) is/are available to support and counsel individuals when taking this initial step or to intervene on behalf of the individual if requested to do so. An

~~individual who is uncomfortable or unwilling to inform the harasser of his/her complaint is not prohibited from otherwise filing an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.~~

~~An individual who believes s/he has been unlawfully harassed (see definition on page 1) may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one (1) of the Compliance Officers; and/or 3) to the Superintendent or other Corporation-level employee.~~

~~All informal complaints must be reported to one of the Compliance Officers who will either facilitate an informal resolution as described below on his/her own, or appoint another individual to facilitate an informal resolution.~~

~~The Corporation's informal complaint procedure is designed to provide employees, other members of the Corporation community or third parties who believe they are being subjected to unlawful harassment (see definition on page 1) with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the individual claiming unlawful harassment, informal resolution may involve, but not be limited to, one or more of the following:~~

- ~~A. Advising the individual about how to communicate the unwelcome nature of the behavior to the alleged harasser.~~
- ~~B. Distributing a copy of the anti-harassment policy as a reminder to the individuals in the school building or office where the individual whose behavior is being questioned works or attends.~~
- ~~C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting between the individual claiming harassment and the individual accused of harassment to work out a mutual resolution. Such a meeting is not appropriate in circumstances involving sexual violence.~~

~~While there are no set time limits within which an informal complaint must be resolved, one of the Compliance Officers or a designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint, may file a complaint with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), and/or may file a concurrent criminal complaint with the law enforcement agency having jurisdiction. Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint. And, as stated above, parties may request that the informal process be terminated at any time to move to the formal complaint process.~~

~~One (1) of the Compliance Officers or a designee will retain all materials generated as part of the informal complaint process in accordance with the Board's records retention policy (see Policy 8310, Policy 8320, and Policy 8330).~~

Informal Complaint Procedure

~~The goal of the informal complaint procedure is to stop inappropriate behavior promptly and facilitate resolution through informal means, if possible. The informal complaint procedure is provided as a less formal option for a Corporation employee, other member of the Corporation community or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint.~~

~~The informal process is available only in those circumstances where the Complainant and the Respondent mutually agree to participate in it.~~

~~The Complainant may proceed immediately to the formal complaint process, and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.~~

~~All complaints involving a Corporation employee, any other adult member of the Corporation community, or a Third Party and a student will be formally investigated.~~

~~As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the alleged harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The COs are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to approach the Respondent directly about the allegedly inappropriate conduct may file an informal or a formal complaint.~~

~~In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the CO may advise against the use of the informal complaint process.~~

~~A Complainant who alleges harassment based on a protected class or retaliation may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to one of the COs; or 3) to the Superintendent or other Corporation-level employee.~~

~~All informal complaints must be reported to one of the COs, who either will facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.~~

~~The Corporation's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing~~

about a resolution of the Complainant's concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve but is not limited to one or more of the following:

-
- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
-
- B. Distributing a copy of Policy 1662 - Anti-Harassment to the individuals in the school building or office where the Respondent works or attends school.
-
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

-

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint.

-

If the Complainant is dissatisfied with the results of the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

~~If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or if the individual elects to file a formal complaint initially, the formal complaint process as described below shall be implemented.~~

~~The formal complaint process is not intended to interfere with the rights of an employee, other member of the Corporation community, or third party to pursue a complaint of unlawful harassment with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), and/or to file a concurrent criminal complaint with the law enforcement agency having jurisdiction.~~

~~An individual who believes s/he has been subjected to offensive conduct/harassment/retaliation hereinafter referred to as the "Complainant", may file a formal complaint, either orally or in writing with a teacher, principal, the Compliance Officer, Superintendent, or other Corporation-level employee. Due to the sensitivity surrounding complaints of unlawful harassment (see definition on page 1) and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, principal, Superintendent, or other Corporation-level employee, either orally or in writing, about any complaint of harassment or retaliation, the employee to whom the complaint is reported must report such information to the Compliance Officer or designee within two (2) business days.~~

~~Throughout the course of the process as described herein, the Compliance Officer should keep the parties informed of the status of the investigation and the decision-making process.~~

~~All formal complaints of unlawful harassment (see definition on page 1) or retaliation must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in, offensive conduct/harassment/retaliation; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.~~

~~If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported complaint by signing the document.~~

~~Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the alleged harasser. In making such a determination, the Compliance Officer should consult the Complainant to assess his/her agreement to any action deemed appropriate. If the Complainant is unwilling to consent any change that is deemed appropriate by the Compliance Officer, the Compliance Officer may still take whatever actions s/he deems appropriate in consultation with the Superintendent and/or Board Attorney.~~

~~Within two (2) business days of receiving the complaint, the Compliance Officer or a designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/unlawful harassment/retaliation.~~

~~Contemporaneously, one of the Compliance Officers or a designee will inform the individual alleged to have engaged in the unlawful harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received. The Respondent will be informed about the nature of the allegations and a copy of the Board's anti-harassment policy shall be provided to the Respondent. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.~~

~~Although certain cases may require additional time, one of the Compliance Officers or a designee will attempt to complete an investigation into the allegations of harassment or retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:~~

- A. ~~interview(s) with the Complainant;~~
- B. ~~interview(s) with the Respondent;~~
- C. ~~interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations; and~~
- D. ~~consideration of any documentation or other information, presented by the Complainant, Respondent, or any other witnesses that is reasonably believed to be relevant to the allegations.~~

~~At the conclusion of the investigation, the Compliance Officer or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment (see definition on page 1) or retaliation. The Compliance Officer's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used (i.e., it is more likely than not that unlawful discrimination/retaliation occurred).~~

~~Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer or the designee, the Superintendent must either issue a decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's decision will be delivered to both the Complainant and the Respondent.~~

~~If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.~~

~~A Complainant or respondent who is dissatisfied with the decision of the Superintendent may appeal through a signed written request to the Board of School Trustees within five (5) business days of his/her receipt of the Superintendent's final decision.~~

~~If the Superintendent is the Respondent, the appeal process will skip the review by the Superintendent and move directly to the Board. In such circumstances, the Compliance Officer, or the designee, shall prepare and deliver a written report to the Board that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment (see definition on page 1) or retaliation.~~

~~The Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of a written request to appeal. At this meeting, the parties have the right to present evidence, including testimony and/or exhibits, to the Board in support of their position. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.~~

~~The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the Corporation community or third party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.~~

~~The Complainant and the Respondent may be represented, at his/her own cost, at any of the above-described meetings/hearings.~~

~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, Equal Employment Opportunity Commission, Indiana Civil Rights Commission, or the filing of a concurrent criminal complaint. Use of the complaint procedures is not a prerequisite to the pursuit of other remedies. Furthermore, the complaint must be investigated even if a separate investigation is being conducted by another agency, including but not limited to the local police department.~~

Formal Complaint Procedure

~~If a complaint is not resolved through the informal complaint process, one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, the Complainant elects to file a formal complaint from the outset, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.~~

~~A Complainant may file a formal complaint, either orally or in writing, with a Principal, the CO, the Superintendent, or other Corporation official.~~

~~Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available.~~

~~If a Complainant informs a teacher, Principal, Superintendent, or other Corporation official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to the CO within two (2) business days.~~

~~Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and~~

the decision-making process.

- All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

- If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

- Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO still may take whatever actions are deemed appropriate in consultation with the Superintendent.

- Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful harassment or retaliation. ~~(-) The Principal will not conduct an investigation unless directed to do so by the CO.~~

- Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 1662 - Anti-Harassment. The Respondent also must be informed of the opportunity to submit a written response to the formal complaint within five (5) business days.

- Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of harassment based on a protected class or retaliation within fifteen (15) business days of receiving the formal complaint.

- The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations; and
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

- At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment of or retaliation toward the Complainant. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if unlawful harassment or retaliation occurred, a preponderance of evidence standard will be used.

- The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

- Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent either must issue a written decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

- If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

- If the Superintendent determines the Respondent engaged in harassment of or retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the harassment

or retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

The decision of the Superintendent shall be final.

[OR]

~~[] A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision. The written statement of appeal must be submitted to the () Treasurer/CFO () Board President () Board Attorney ()~~

~~In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.~~

[END OF OPTIONS]

~~The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment or retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.~~

~~The parties may be represented, at their own cost, at any of the above-described interviews/meetings.~~

~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the OCR, the ICRC or the EEOC, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.~~

Privacy/Confidentiality

~~The Corporation will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Corporation's legal obligations to investigate, take appropriate action, and to comply with any discovery or disclosure obligations.~~

~~All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity.~~

~~During the course of a formal investigation, the CO or designee will instruct all members of the Corporation community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.~~

~~The Corporation will employ all reasonable efforts to protect the privacy of the Complainant, the Respondent(s) (that is the individual(s) against whom the complaint is filed), and the witnesses to the extent possible, consistent with the Corporation's legal obligations to investigate, to take appropriate action, and to comply with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed.~~

~~All Complainants proceeding through the formal investigation process should be advised that their identities may be disclosed to the Respondent(s).~~

~~During the course of a formal investigation, the Compliance Officer or his/her designee will instruct all members of the Corporation community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that s/he learns or that s/he provides during the course of the investigation.~~

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken because of the discrimination, or

other appropriate action.

The Board may appoint an individual, who may be a Corporation employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of any relevant collective bargaining agreement or student code of conduct.

When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the age and maturity level of any student involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of any relevant collective bargaining agreement or student code of conduct.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws or this policy, or exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Education and Training

In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the Corporation community related to the implementation of this policy and shall provide training for Corporation students and staff where appropriate. All training and information provided regarding the Board's policy and harassment in general will be age and content appropriate.

~~**Remedial Action, Sanctions, and Monitoring**~~

~~The Board shall vigorously enforce its prohibitions against unlawful harassment (see definition on page 1)/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further harassment.~~

~~If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant. Such remedial action may include, but is not limited to, counseling services, reinstatement of leave taken due to the discrimination, or other appropriate action.~~

~~While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s), if any.~~

~~When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with~~

~~the terms of the relevant collective bargaining agreement(s), if any.~~

~~All subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects. Prior sanctions imposed on the Respondent(s) for similar past conduct shall be considered in determining the appropriateness of the sanction(s) imposed for the present conduct.~~

~~The Board may appoint an individual, who may be an employee of the Corporation, to monitor the Respondent to ensure no further discrimination or retaliation occurs. Likewise, the Board may appoint an individual, who may be an employee of the Corporation other than the Respondent, to follow up with the Complainant to ensure that no further discrimination or retaliation has occurred and to take action to promptly address any reported occurrences.~~

Retention of Investigatory Records and Materials

The CO is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but are not limited to:

~~Retention of Public Records, Student Records, and Investigatory Records and Materials~~

~~All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including but not limited to complaints, responses, witness statements, documentary evidence, audio, video and/or digital recordings, handwritten and contemporaneous notes, e-mails related to the investigation and allegations, printouts, letters, determinations, and summaries. The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, Policy 8330 and the Corporation's records retention schedule.~~

~~Retaliation~~

~~Any act of retaliation against a person who has made a report, filed a complaint alleging unlawful harassment, or participated as a witness in a harassment investigation is prohibited.~~

~~Specifically, the Board will not discriminate/retaliate against, coerce, intimidate, threaten, or interfere with any individual because the person opposed any act or practice of unlawful harassment (see definition on page 1), or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing pertaining to unlawful harassment, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by Federal or State laws.~~

~~Individuals found to have engaged in retaliation shall be subject to disciplinary action, up to and including termination of employment or expulsion from school.~~

~~Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct~~

~~State law requires any teacher or school employee who knows or suspects that a child under the age of eighteen (18) is a victim of child abuse or neglect to immediately report that knowledge or suspicion to the Department of Child Services. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant or the alleged victim, a report of such knowledge must be made in accordance with State law and Board Policy.~~

~~If the Compliance Officer or a designee has reason to believe that the Complainant has been the victim of criminal conduct as defined under State law, such knowledge should be reported to local law enforcement.~~

~~Any reports made to Child Protective Services or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies.~~

~~Education and Training~~

~~In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Compliance Officers will oversee the training of Corporation employees and students so that they understand their rights and responsibilities under Federal and State law and are informed of the Board's policies and~~

~~practices with respect to fully implementing and complying with the requirements of Federal and State law. All training regarding the Board's policy and administrative guidelines and harassment in general will be age and content appropriate.~~

Notice

~~Notice of the Board's policy on anti-harassment related to employment practices and the identity of the Compliance Officers will be posted throughout the Corporation, and published in any Corporation statement regarding the availability of employment, in any staff handbooks, and in general information publications of the Corporation as required by Federal and State law and this policy.~~

3362 - ANTI-HARASSMENT

General Policy Statement

It is the policy of the School Board to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School Corporation operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against discriminatory harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age, religion, ancestry, or genetic information (collectively, "Protected Classes") that are protected by Federal civil rights laws (hereinafter referred to as "unlawful harassment"), and encourages those within the Corporation community as well as Third Parties who feel aggrieved to seek assistance to rectify such problems.

~~It is the policy of the Board of School Trustees to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment, occurring in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment (hereinafter referred to collectively as "unlawful harassment"). This commitment applies to all School Corporation operations, employment opportunities, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment occurring in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct affects the Corporation environment.~~

~~The Board will vigorously enforce its prohibition against unlawful harassment (see definition above), which is based on race, color, national origin, sex, religion, disability, military status, ancestry, or genetic information that are classes protected by Federal and/or State civil rights laws (hereinafter referred to as "Protected Classes"), and encourages those within the School Corporation community as well as third parties who feel aggrieved to seek assistance to rectify such problems occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment.~~

All Corporation employees, including administrators, professional staff and support staff, shall report any incident of alleged unlawful harassment (see definition above) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment that the employee observes or which is reported to the employee.

The Board will investigate all allegations of harassment and, in those cases where unlawful harassment is substantiated, take

immediate steps to end the harassment, prevent its reoccurrence, and remedy its effects.

Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

~~The Board will investigate all allegations of unlawful harassment (see definition on page 1) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment and, in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects.~~

~~Individuals who are found to have engaged in unlawful harassment (see definition on page 1) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment will be subject to appropriate disciplinary action, up to and including termination of employment or expulsion from school.~~

~~Furthermore, Corporation employees who fail to report any incident of alleged unlawful harassment (see definition on page 1) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment that the employee observes or which is reported to the employee also are subject to appropriate disciplinary action, up to and including termination of employment.~~

The Corporation may offer counseling services to any person found to have been subjected to unlawful harassment, and where appropriate, the person(s) who committed the unlawful harassment.

~~For purposes of this policy, "Corporation community" means students, administrators, teachers, and staff, as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.~~

~~For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on Corporation property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the Corporation community at school-related events/activities (whether on or off Corporation property).~~

Other Violations of the Anti-Harassment Policy

The Corporation also will take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment (see definition on page 1) or who has participated as a witness in a harassment investigation.
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment (see definition on page 1).
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of unlawful harassment (see definition on page 1), when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties.

Notice

Notice of the Board's policy on anti-harassment related to employment practices and the identity of the Corporation's Compliance Officers will be posted throughout the Corporation and published in any Corporation statement regarding the availability of employment, staff handbooks, and general information publications of the Corporation as required by Federal and State law and this policy.

Bullying

Bullying rises to the level of unlawful harassment (see definition on page 1) when one or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students with the intent to harass, ridicule, humiliate, intimidate or harm that/those student(s), and that bullying is based upon sex, race, color, national origin, religion, or disability, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school performance or participation; and may involve:

- A. teasing;

- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Sexual Harassment

For purposes of this policy and consistent with Pursuant to Title VII of the Civil Rights Act of 1964, and Title IX of the Educational Amendments of 1972, "sexual harassment" is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, ~~or status in a class, educational program, or activity.~~
- B. Submission or rejection of such conduct by an individual is used as the basis for employment ~~or educational~~ decisions affecting such individual.
- C. Such conduct has the purpose or effect of interfering with the individual's work ~~or educational~~ performance ~~or~~ of creating an intimidating, hostile, or offensive working, ~~and/or learning~~ environment; ~~or of interfering with one's ability to participate in or benefit from a class or an educational program or activity.~~

Sexual harassment may involve the behavior of a person of any ~~either~~ gender against a person of the same or another ~~opposite~~ gender.

Sexual Harassment covered by Policy/AG 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, i.e., sexual harassment prohibited by Title IX, is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266/AG 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. ~~Un~~welcome sexual propositions, invitations, solicitations, and flirtations;
- B. ~~Unwanted sexual violence, including~~ physical and/or sexual ~~contact~~assault;
- C. ~~Threats~~threats or insinuations that a person's employment, wages, ~~academic grade,~~ promotion, ~~classroom work or assignments, academic status, participation in athletics or extra-curricular programs or events,~~ or other conditions of employment or education may be adversely affected by not submitting to sexual advances;
- D. ~~Unwelcome~~unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, ~~profanity,~~ jokes or innuendoes; ~~(X)~~ unwelcome suggestive or insulting sounds or whistles; ~~(X)~~ obscene telephone calls;
- E. ~~Sexually~~sexually suggestive objects, pictures, ~~graffiti, videos, posters~~ videotapes, audio recordings or literature, placed in the work ~~or educational~~ environment, ~~that reasonably~~ which may embarrass or offend individuals;
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G.
 - o Asking or telling about sexual fantasies, sexual preferences, or sexual activities;
 - o Speculation about a person's sexual activities or sexual history or remarks about one's own sexual activities or sexual history;

- L. ~~Verbal~~verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent ~~such~~ that it adversely affects, limits, or denies an individual's employment ~~or education~~, or creates a hostile or abusive employment ~~or educational~~ environment.

~~NOTE: Sexual conduct/relationships with students by Corporation employee or any other adult member of the Corporation community is prohibited, and any teacher, administrator, coach, other school authority, or staff member who engages in certain sexual conduct with a student may be disciplined up to and including termination and also may be guilty of the criminal charge of "sexual battery" as set forth in I.C. 35-42-4-8. In the case of a child under fourteen (14) years of age, the person also may be guilty of "child molesting" under I.C. 35-42-4-3. In the case of a child between the ages of fourteen (14) and sixteen (16), the person also may be guilty of "sexual misconduct with a minor" under I.C. 35-42-4-9. The issue of consent is irrelevant in regard to the latter two (2) criminal charges. Any employee accused of sexual relations with a student may be placed on leave until school~~

~~administrative proceedings are completed. Proven sexual relationships with a student regardless of the age of the student will initiate the termination process for the employee.~~

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; ~~of~~ creating an intimidating, hostile, or offensive working, ~~and/or~~ learning environment; or ~~of~~ interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may ~~occur where~~ include but is not limited to conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or ~~involves~~ involving religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; ~~of~~ creating an intimidating, hostile, or offensive working ~~and/or~~ learning environment; or ~~of~~ interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may ~~occur where~~ include but is not limited to conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; ~~of~~ creating an intimidating, hostile, or offensive working ~~and/or~~ learning environment; or ~~of~~ interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may ~~occur where~~ include but is not limited to conduct is directed at the characteristics of a person's disability-disabling condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment ~~further also~~ may ~~occur where~~ include but is not limited to conduct is directed at or pertains pertaining to a person's genetic information.

~~Reports and Complaints of Harassing Conduct~~

~~Students, members of the Corporation community and third parties are encouraged to promptly report incidents of unlawful harassment (see definition on page 1) to an administrator, supervisor or other Corporation official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. All Corporation employees, including administrators, professional staff and support staff, shall report any incident of alleged unlawful harassment (see definition on page 1) that the employee observes or which is reported to the employee. Any administrator, supervisor, or other Corporation-level official who receives such a complaint shall file it with the Corporation's Anti-Harassment Compliance Officer at his/her first convenience. Corporation employees who fail to comply with the reporting responsibility shall be subject to discipline, up to and including termination. Members of the Corporation community or third parties who believe they have been subjected to unlawful harassment (see definition on page 1) by another member of the Corporation community or a third party are entitled to utilize the Board's complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's employment or participation in educational or extra-curricular programs unless the complaining individual makes the complaint maliciously or with knowledge that it is false. Individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If, during an investigation of a reported act of bullying and/or harassment in accordance with Policy 5517.01 – Bullying, the principal or his/her designee believes that the reported misconduct may have created a hostile work or learning environment and may have constituted unlawful harassment (see definitions on page 1) based on "Protected Classes" (see definition on page 1), the principal or his/her designee will report the act of bullying and/or harassment to one (1) of the Compliance Officers who shall investigate the allegation in accordance with this policy.~~

The COs are responsible for coordinating the Corporation's efforts to comply with applicable Federal and State laws and regulations, including the Corporation's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment on the basis of a protected class.

The COs will oversee the investigation of any complaints of harassment based on a protected class which may be filed pursuant to the Board's adopted internal complaint procedure (see below) and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging harassment based on a protected class.

~~The names, titles, and contact information for the Compliance Officers will be published annually in the student, parent and staff handbooks and on the School Corporation's web site.~~

~~A Compliance Officer will be available during regular school/work hours to discuss concerns related to "unlawful harassment" (see definition on page 1), to assist students, other members of the Corporation community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the student. Any Corporation employee who directly observes unlawful harassment (see definition on page 1) of a student is obligated, in accordance with this policy, to report such observations to one of the Compliance Officers within two (2) business days. Thereafter, the Compliance Officer or designee must contact the student if age eighteen (18) or older, or the student's parents if under the age of eighteen (18) within two (2) business days to advise him/her/them of the Corporation's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or his/her designee to conduct an investigation following all the procedures outlined in this policy for a formal complaint. Additionally, if the alleged harasser is a student, the Compliance Officer or designee must contact the student, if age eighteen (18) or older, or the student's parents if under the age of eighteen (18), within two (2) business days to advise him/her/them of the Corporation's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or designee to conduct an investigation following all the procedures outlined for a formal complaint. However, all complaints of harassment involving a Corporation employee or any other adult member of the Corporation community against a student will be formally investigated. The Compliance Officers are assigned to accept complaints of unlawful harassment (see definition on page 1) directly from any member of the School Corporation community or a visitor to the Corporation, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a Compliance Officer will begin either an informal or formal process (depending on the request of the member of the School Corporation community alleging harassment or the nature of the alleged harassment), or the Compliance Officer will designate a specific individual to conduct such a process. In the case of a formal complaint, the Compliance Officer will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. However, if the alleged harasser is the Superintendent, the recommendations shall be submitted to the Board President. All Corporation employees must report incidents of unlawful harassment (see definition on page 1) that are reported to them to the Compliance Officer within two (2) business days of learning of the incident.~~

Investigation and Complaint Procedure (see Form 3362 F1)

Any employee or other member of the Corporation community or third party (e.g., visitor to the Corporation) who believes that s/he has been subjected to unlawful harassment (see definition on page 1) may seek resolution of his/her complaint through either the informal or formal procedures as described below. Further, a process for investigating claims of unlawful harassment (see definition on page 1) and a process for rendering a decision regarding whether the claim of unlawful harassment (see definition on page 1) was substantiated are set forth below.

Due to the sensitivity surrounding complaints of unlawful harassment (see definition on page 1), time lines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The informal and formal procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), or to file a concurrent criminal complaint with the law enforcement agency having jurisdiction.

Reports and Complaints of Unlawful Harassment and Retaliation

Students and Corporation employees are required, and all other members of the Corporation community and Third Parties are encouraged, to promptly report incidents of harassment based on a protected class to an administrator, supervisor, or other Corporation official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any teacher, administrator, supervisor, or other Corporation employee or official who receives such a complaint shall file it with the CO within two (2) business days.

Members of the Corporation community and Third Parties who believe they have been unlawfully harassed by another member of the Corporation community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are not time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to harassment on the basis of a protected class. The COs shall accept reports of unlawful harassment directly from any member of the Corporation community or a Third Party and such reports that initially are made to another Corporation employee. Upon receipt of a report of alleged harassment, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged harassment) or designate a specific individual to conduct such a process.

The CO will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All members of the Corporation community must report incidents of harassment based on a protected class that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Corporation employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to a CO within two business (2) days. Additionally, any Corporation employee who observes an act of unlawful harassment is expected to intervene to stop the harassment unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Corporation employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the CO or designee must contact the Complainant if age eighteen (18) or older or the Complainant's parents/guardians if the Complainant is under the age eighteen (18) within two (2) days to advise of the Board's intent to investigate the alleged harassment.

Investigation and Complaint Procedure (See Form 3362 F1)

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Program or Activities, any employee or other member of the Corporation community or Third Party (e.g., visitor to the Corporation) who alleges to have been subjected to unlawful harassment or retaliation may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of harassment based on a protected class or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available.

Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education, Office for Civil Rights ("OCR"), the Indiana Civil Rights Commission ("ICRC") or the Equal Employment Opportunity Commission ("EEOC"). The Chicago Office of the OCR can be reached at John C. Kluczynski Federal Building, 230 S. Dearborn Street, 37th Floor, Chicago, IL 60604; Telephone: 312-730-1560; FAX: 312-730-1576; TDD: 800-877-8339; Email: OCR.Chicago@ed.gov; Web: <http://www.ed.gov/ocr>.

Informal Complaint Procedure

The goal of the informal complaint procedure is to stop inappropriate behavior promptly and facilitate resolution through informal means, if possible. The informal complaint procedure is provided as a less formal option for a Corporation employee, other member of the Corporation community or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint.

The informal process is available only in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process, and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a Corporation employee, any other adult member of the Corporation community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the alleged harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The COs are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to approach the Respondent directly about the allegedly inappropriate conduct may file an informal or a formal complaint.

In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the CO may advise against the use of the informal complaint process.

A Complainant who alleges harassment based on a protected class or retaliation may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to one of the COs; or 3) to the Superintendent or other Corporation-level employee.

All informal complaints must be reported to one of the COs, who either will facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The Corporation's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a resolution of the Complainant's concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve but is not limited to one or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the alleged Respondent.
- B. Distributing a copy of Policy 3362 - Anti-Harassment to the individuals in the school building or office where the Respondent works or attends school.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint.

If the Complainant is dissatisfied with the results of the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

The goal of the informal complaint procedure is to stop inappropriate behavior and/or unlawful harassment (see definition on page 1), and to investigate and facilitate resolution through an informal means, if possible. The informal complaint procedure is

provided as a less formal option for an employee who believes s/he has been unlawfully harassed or retaliated against in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment. This informal procedure is not required as a precursor to the filing of a formal complaint and/or filing a concurrent criminal complaint, and will be utilized only where the parties (alleged target of harassment and alleged harasser(s)) agree to participate in such process. Employees, other members of the Corporation community, or third parties who believe that they have been subjected to unlawful harassment (see definition on page 1) or retaliated against may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint procedure.

However, all complaints of unlawful harassment (see definition on page 1) involving a Corporation employee, any adult member of the Corporation community, or a third party against a student will be formally investigated. Similarly, any allegations of sexual violence will be formally investigated.

As an initial course of action, if an individual feels that s/he is being unlawfully harassed (see definition on page 1) and s/he is able and feels safe doing so, the individual should tell or otherwise inform the harasser that the conduct is unwelcome and must stop. Such direct communication should not be utilized in circumstances involving sexual violence. The complaining individual should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officer(s) is/are available to support and counsel individuals when taking this initial step or to intervene on behalf of the individual if requested to do so. An individual who is uncomfortable or unwilling to inform the harasser of his/her complaint is not prohibited from otherwise filing an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

An individual who believes s/he has been unlawfully harassed (see definition on page 1) may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one of the Compliance Officers; and/or 3) to the Superintendent or other Corporation-level employee.

All informal complaints must be reported to one of the Compliance Officers who will either facilitate an informal resolution as described below on his/her own, or appoint another individual to facilitate an informal resolution.

The Corporation's informal complaint procedure is designed to provide employees, other members of the Corporation community or third parties who believe they are being subjected to unlawful harassment (see definition on page 1) with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the individual claiming unlawful harassment, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the individual about how to communicate the unwelcome nature of the behavior to the alleged harasser.
- B. Distributing a copy of the anti-harassment policy as a reminder to the individuals in the school building or office where the individual whose behavior is being questioned works or attends.
- C. If both parties agree, the Compliance Officers may arrange and facilitate a meeting between the individual claiming harassment and the individual accused of harassment to work out a mutual resolution. Such a meeting is not appropriate in circumstances involving sexual violence.

While there are no set time limits within which an informal complaint must be resolved, one of the Compliance Officers or a designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint, may file a complaint with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), and/or may file a concurrent criminal complaint with the law enforcement agency having jurisdiction. And, as stated above, parties may request that the informal process be terminated at any time to move to the formal complaint process.

One of the Compliance Officers or a designee will retain all materials generated as part of the informal complaint process in accordance with the Board's records retention policy (see Policy 8310, Policy 8320 and Policy 8330.).

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, the Complainant elects to file a formal complaint from the outset, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

-

A Complainant may file a formal complaint, either orally or in writing, with a Principal, the CO, the Superintendent, or other Corporation official.

-

Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available.

If a Complainant informs a teacher, Principal, Superintendent, or other Corporation official, either orally or in writing, about any

complaint of harassment or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including, but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO still may take whatever actions are deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful harassment or retaliation.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 3362 - Anti-Harassment. The Respondent also must be informed of the opportunity to submit a written response to the formal complaint within five (5) business days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of harassment based on a protected class or retaliation within fifteen (15) business days of receiving the formal complaint.

The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations; and
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment of or retaliation toward the Complainant. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if unlawful harassment or retaliation occurred, a preponderance of evidence standard will be used.

[X.] The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in harassment of or retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the harassment

or retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

[X] The decision of the Superintendent shall be final.

[END OF OPTIONS]

-

~~The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment or retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.~~

-

~~The parties may be represented, at their own cost, at any of the above-described interviews/meetings.~~

-

~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the OCR, the ICRC or the EEOC, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.~~

~~If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or if the individual elects to file a formal complaint initially, the formal complaint process as described below shall be implemented.~~

~~The formal complaint process is not intended to interfere with the rights of an employee, other member of the Corporation community, or third party to pursue a complaint of unlawful harassment with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), and/or to file a concurrent criminal complaint with the law enforcement agency having jurisdiction.~~

~~An individual who believes s/he has been subjected to offensive conduct/unlawful harassment/retaliation hereinafter referred to as the "Complainant", may file a formal complaint, either orally or in writing with a teacher, principal, the Compliance Officer, Superintendent, or other Corporation-level employee. Due to the sensitivity surrounding complaints of unlawful harassment (see definition on page 1) and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, principal, Superintendent, or other Corporation-level employee, either orally or in writing, about any complaint of harassment or retaliation, the employee to whom the complaint is reported must report such information to the Compliance Officer or designee within two (2) business days.~~

~~Throughout the course of the process as described herein, the Compliance Officer should keep the parties informed of the status of the investigation and the decision making process.~~

~~All formal complaints of unlawful harassment (see definition on page 1) or retaliation must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in, offensive conduct/harassment/retaliation; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.~~

~~If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported complaint by signing the document.~~

~~Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the alleged harasser. In making such a determination, the Compliance Officer should consult the Complainant to assess his/her agreement to any action deemed appropriate. If the Complainant is unwilling to consent any change that is deemed appropriate by the Compliance Officer, the Compliance Officer may still take whatever actions s/he deems appropriate in consultation with the Superintendent and/or Board Attorney.~~

~~Within two (2) business days of receiving the complaint, the Compliance Officer or a designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/unlawful harassment/retaliation.~~

~~Contemporaneously, one of the Compliance Officers or a designee will inform the individual alleged to have engaged in the unlawful harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received. The Respondent will be informed about the nature of the allegations and a copy of the Board's anti-harassment policy shall be provided to the Respondent. The Respondent must also be informed of the opportunity to submit a written response to the~~

~~complaint within five (5) business days.~~

~~Although certain cases may require additional time, one of the Compliance Officers or a designee will attempt to complete an investigation into the allegations of harassment or retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:~~

- ~~A. interview(s) with the Complainant;~~
- ~~B. interview(s) with the Respondent;~~
- ~~C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations; and~~
- ~~D. consideration of any documentation or other information, presented by the Complainant, Respondent, or any other witnesses that is reasonably believed to be relevant to the allegations.~~

~~At the conclusion of the investigation, the Compliance Officer or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment or retaliation. The Compliance Officer's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used (i.e., it is more likely than not that unlawful discrimination/retaliation occurred).~~

~~Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer or the designee, the Superintendent must either issue a decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's decision will be delivered to both the Complainant and the Respondent.~~

~~If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.~~

~~A Complainant or respondent who is dissatisfied with the decision of the Superintendent may appeal through a signed written request to the Board of School Trustees within five (5) business days of his/her receipt of the Superintendent's final decision.~~

~~If the Superintendent is the Respondent, the appeal process will skip the review by the Superintendent and move directly to the Board. In such circumstances, the Compliance Officer, or the designee, shall prepare and deliver a written report to the Board that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment (see definition on page 1) or retaliation.~~

~~The Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of a written request to appeal. At this meeting, the parties have the right to present evidence, including testimony and/or exhibits, to the Board in support of their position. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.~~

~~The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School Corporation community or third party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.~~

~~The Complainant and the Respondent may be represented, at his/her own cost, at any of the above-described meetings/hearings.~~

~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, Equal Employment Opportunity Commission, Indiana Civil Rights Commission, or the filing of a concurrent criminal complaint. Use of the complaint procedures is not a prerequisite to the pursuit of other remedies. Furthermore, the complaint must be investigated even if a separate investigation is being conducted by another agency, including but not limited to the local police department.~~

~~**When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the age and maturity level of any student involved. ~~While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s), if any.~~

~~When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s), if any.~~

~~All subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects. Prior sanctions imposed on the Respondent(s) for similar past conduct shall be considered in determining the appropriateness of the sanction(s) imposed for the present conduct.~~

4362 - ANTI-HARASSMENT

General Policy Statement

It is the policy of the School Board to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School Corporation operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against discriminatory harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age, religion, ancestry, or genetic information (collectively, "Protected Classes") that are protected by Federal civil rights laws (hereinafter referred to as "unlawful harassment"), and encourages those within the Corporation community as well as Third Parties who feel aggrieved to seek assistance to rectify such problems.

~~It is the policy of the Board of School Trustees to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment, occurring in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment (hereinafter referred to collectively as "unlawful harassment"). This commitment applies to all School Corporation operations, employment opportunities, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment occurring in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment. This policy applies to unlawful conduct occurring on school property, or at another location if such affects the Corporation environment.~~

The Board will investigate all allegations of harassment and, in those cases where unlawful harassment is substantiated, take

immediate steps to end the harassment, prevent its reoccurrence, and remedy its effects.

Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

~~The Board will investigate all allegations of unlawful harassment (see definition on page 1) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment and, in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects.~~

Sexual Harassment

Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, "sexual harassment" is defined as:

Such conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working, and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender. Prohibited acts that constitute sexual harassment may take a variety of forms. Examples of the kinds of conduct that may

constitute sexual harassment include, but are not limited to:

NOTE: Sexual conduct/relationships with students by Corporation employee or any other adult member of the Corporation community is prohibited, and any teacher, administrator, coach or other school authority, or staff member who engages in certain sexual conduct with a student may be disciplined up to and including termination and also may be guilty of the criminal charge of "sexual battery" as set forth in I.C. 35-42-4-8. In the case of a child under fourteen (14) years of age, the person also may be guilty of "child molesting" under I.C. 35-42-4-3. In the case of a child between the ages of fourteen (14) and sixteen (16), the person also may be guilty of "sexual misconduct with a minor" under I.C. 35-42-4-9. The issue of consent is irrelevant in regard to the latter two (2) criminal charges. Any employee accused of sexual relations with a student may be placed on leave until school administrative proceedings are completed. Proven sexual relationships with a student regardless of the age of the student will initiate the termination process for the employee.

The COs will oversee the investigation of any complaints of harassment based on a protected class which may be filed pursuant

to the Board's adopted internal complaint procedure (see below) and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging harassment based on a protected class.

Reports and Complaints of Unlawful Harassment and Retaliation

Students and Corporation employees are required, and all other members of the Corporation community and Third Parties are encouraged, to promptly report incidents of harassment based on a protected class to an administrator, supervisor, or other Corporation official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any teacher, administrator, supervisor, or other Corporation employee or official who receives such a complaint shall file it with the CO within two (2) business days.

Members of the Corporation community and Third Parties who believe they have been unlawfully harassed by another member of the Corporation community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are not time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to harassment on the basis of a protected class. The COs shall accept reports of unlawful harassment directly from any member of the Corporation community or a Third Party and such reports that initially are made to another Corporation employee. Upon receipt of a report of alleged harassment, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged harassment) or designate a specific individual to conduct such a process.

The CO will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All members of the Corporation community must report incidents of harassment based on a protected class that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Corporation employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to a CO within two business (2) days. Additionally, any Corporation employee who observes an act of unlawful harassment is expected to intervene to stop the harassment unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Corporation employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the CO or designee must contact the Complainant if age eighteen (18) or older or the Complainant's parents/guardians if the Complainant is under the age eighteen (18) within two (2) days to advise of the Board's intent to investigate the alleged harassment.

Investigation and Complaint Procedure (See Form 4362 F1)

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Program or Activities, any employee or other member of the Corporation community or Third Party (e.g., visitor to the Corporation) who alleges to have been subjected to unlawful harassment or retaliation may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of harassment based on a protected class or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available.

Reports and Complaints of Harassing Conduct

Students, members of the Corporation community and third parties are encouraged to promptly report incidents of unlawful harassment (see definition on page 1) to an administrator, supervisor or other School Corporation official so that the Corporation may address the conduct before it becomes severe, pervasive, or persistent. All Corporation employees, including administrators, professional staff and support staff, shall report any incident of alleged unlawful harassment (see definition on page 1) that the employee observes or which is reported to the employee. Any administrator, supervisor, or other Corporation-level official who receives such a complaint shall file it with the Corporation's Anti-Harassment Compliance Officer at his/her first convenience. Corporation employees who fail to comply with the reporting responsibility shall be subject to discipline, up to and including termination.

Members of the Corporation community or third parties who believe they have been subjected to unlawful harassment (see definition on page 1) by another member of the Corporation community or a third party are entitled to utilize the Board's complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's employment or participation in educational or extra-curricular programs unless the complaining individual makes the complaint maliciously or with knowledge that it is false. Individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of a reported act of bullying and/or harassment in accordance with Policy 5517.01 – Bullying, the principal or his/her designee believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful harassment (see definition on page 1) based on "Protected Classes" (see definition on page 1), the principal or his/her designee will report the act of bullying and/or harassment to one (1) of the Compliance Officers who shall investigate the allegation in accordance with this policy.

Anti-Harassment Compliance Officers

The following individuals serve as "Anti-Harassment Compliance Officers" for the Corporation. They are hereinafter referred to as the "Compliance Officers".

Jonathan Mock
Director of Human Resources & Compliance
32 East 7th Street
Hobart, IN 46342
(219) 942-8885 Ext. 1
jmock@hobart.k12.in.us

The names, titles, and contact information for the Compliance Officers will be published annually in the student, parent and staff handbooks and on the School Corporation's web site.

The Compliance Officers will be available during regular school/work hours to discuss concerns related to "unlawful harassment" (see definition on page 1), to assist students, other members of the Corporation community and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the student.

Any Corporation employee who directly observes unlawful harassment (see definition on page 1) of a student is obligated, in accordance with this policy, to report such observations to one of the Compliance Officers within two (2) business days.

Thereafter, the Compliance Officer or designee must contact the student if age eighteen (18) or older, or the student's parents if under the age of eighteen (18) within two (2) business days to advise him/her/them of the Corporation's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or designee to conduct an investigation following all the procedures outlined in this policy for a formal complaint. Additionally, if the alleged harasser is a student, the Compliance Officer or his/her designee must contact the student, if age eighteen (18) or older, or the student's parents if under the age of eighteen (18), within two (2) business days to advise him/her/them of the Corporation's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or designee to conduct an investigation following all the procedures outlined for a formal complaint. However, all complaints of harassment involving a Corporation employee or any other adult member of the Corporation community against a student will be formally investigated.

The Compliance Officers are assigned to accept complaints of unlawful harassment (see definition on page 1) directly from any member of the School Corporation community or a visitor to the Corporation, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a Compliance Officer will begin either an informal or formal process (depending on the request of the member of the School Corporation community alleging harassment or the nature of the alleged harassment), or the Compliance Officer will designate a specific individual to conduct such a process. In the case of a formal complaint, the Compliance Officer will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. However, if the alleged harasser is the Superintendent, the recommendations shall be submitted to the Board President.

All Corporation employees must report incidents of harassment that are reported to them to the Compliance Officer within two (2) business days of learning of the incident.

Investigation and Complaint Procedure (see Form 4362-F1)

Any employee or other member of the Corporation community or third party (e.g., visitor to the Corporation) who believes that s/he has been subjected to unlawful harassment (see definition on page 1) may seek resolution of his/her complaint through either the informal or formal procedures as described below. Further, a process for investigating claims of harassment (see definition on page 1) and a process for rendering a decision regarding whether the claim of unlawful harassment (see definition on page 1) was substantiated are set forth below.

Due to the sensitivity surrounding complaints of unlawful harassment (see definition on page 1), time lines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education, Office for Civil Rights ("OCR"), the Indiana Civil Rights Commission ("ICRC") or the Equal Employment Opportunity Commission ("EEOC"). The Chicago Office of the OCR can be reached at John C. Kluczynski Federal Building, 230 S. Dearborn Street, 37th Floor, Chicago, IL 60604; Telephone: 312-730-1560; FAX: 312-730-1576; TDD: 800-877-8339; Email: OCR.Chicago@ed.gov; Web: <http://www.ed.gov/ocr>. The

informal and formal procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), or to file a concurrent criminal complaint with

~~the law enforcement agency having jurisdiction.~~

Informal Complaint Procedure

~~The goal of the informal complaint procedure is to stop inappropriate behavior promptly and facilitate resolution through informal means, if possible. The informal complaint procedure is provided as a less formal option for a Corporation employee, other member of the Corporation community or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint.~~

~~The informal process is available only in those circumstances where the Complainant and the Respondent mutually agree to participate in it.~~

~~The Complainant may proceed immediately to the formal complaint process, and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.~~

~~All complaints involving a Corporation employee, any other adult member of the Corporation community, or a Third Party and a student will be formally investigated.~~

~~As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the alleged harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The COs are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to approach the Respondent directly about the allegedly inappropriate conduct may file an informal or a formal complaint.~~

~~In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the CO may advise against the use of the informal complaint process.~~

~~A Complainant who alleges harassment based on a protected class or retaliation may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to one of the COs; or 3) to the Superintendent or other Corporation-level employee.~~

~~All informal complaints must be reported to one of the COs, who either will facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.~~

~~The Corporation's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a resolution of the Complainant's concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve but is not limited to one or more of the following:~~

- ~~A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the alleged Respondent.~~
- ~~B. Distributing a copy of Policy 4362 - Anti-Harassment to the individuals in the school building or office where the Respondent works or attends school.~~
- ~~C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.~~

~~While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint.~~

~~If the Complainant is dissatisfied with the results of the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.~~

~~The goal of the informal complaint procedure is to stop inappropriate behavior and/or unlawful harassment (see definition on page 1) and to investigate and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee who believes s/he has been unlawfully harassed or retaliated against in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment. This informal procedure is not required as a precursor to the filing of a formal complaint and/or filing a concurrent criminal complaint, and will be utilized only where the parties (alleged target of harassment and alleged harasser(s)) agree to participate in such process. Employees, other members of the Corporation community, or third parties who believe that they have been subjected to unlawful~~

~~harassment (see definition on page 1) or retaliated against may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint procedure.~~

~~However, all complaints of unlawful harassment (see definition on page 1) involving a Corporation employee, any adult member of the Corporation community, or a third party against a student will be formally investigated. Similarly, any allegations of sexual violence will be formally investigated.~~

~~As an initial course of action, if an individual feels that s/he is being unlawfully harassed (see definition on page 1) and s/he is able and feels safe doing so, the individual should tell or otherwise inform the harasser that the conduct is unwelcome and must stop. Such direct communication should not be utilized in circumstances involving sexual violence. The complaining individual should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officer(s) is/are available to support and counsel individuals when taking this initial step or to intervene on behalf of the individual if requested to do so. An individual who is uncomfortable or unwilling to inform the harasser of his/her complaint is not prohibited from otherwise filing an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.~~

~~An individual who believes s/he has been unlawfully harassed (see definition on page 1) may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one of the Compliance Officers; and/or 3) to the Superintendent or other Corporation-level employee.~~

~~All informal complaints must be reported to one (1) of the Compliance Officers, who will either facilitate an informal resolution as described below on his/her own or appoint another individual to facilitate an informal resolution.~~

~~The Corporation's informal complaint procedure is designed to provide employees, other members of the Corporation community or third parties who believe they are being subjected to unlawful harassment (see definition on page 1) with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the individual claiming unlawful harassment, informal resolution may involve, but not be limited to, one or more of the following:~~

- ~~A. Advising the individual about how to communicate the unwelcome nature of the behavior to the alleged harasser.~~
- ~~B. Distributing a copy of the anti-harassment policy as a reminder to the individuals in the school building or office where the individual whose behavior is being questioned works or attends.~~
- ~~C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting between the individual claiming harassment and the individual accused of harassment to work out a mutual resolution. Such a meeting is not appropriate in circumstances involving sexual violence.~~

~~While there are no set time limits within which an informal complaint must be resolved, one of the Compliance Officers or a designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint, may file a complaint with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), and/or may file a concurrent criminal complaint with the law enforcement agency having jurisdiction. And, as stated above, parties may request that the informal process be terminated at any time to move to the formal complaint process.~~

~~One (1) of the Compliance Officers or a designee will retain all materials generated as part of the informal complaint process in accordance with the Board's records retention policy (see Policy 8310, Policy 8320 and Policy 8330).~~

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, the Complainant elects to file a formal complaint from the outset, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

A Complainant may file a formal complaint, either orally or in writing, with a Principal, the CO, the Superintendent, or other Corporation official.

Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available.

If a Complainant informs a teacher, Principal, Superintendent, or other Corporation official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed

description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including, but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO still may take whatever actions are deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful harassment or retaliation. () The Principal will not conduct an investigation unless directed to do so by the CO.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 4362 - Anti-Harassment. The Respondent also must be informed of the opportunity to submit a written response to the formal complaint within five (5) business days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of harassment based on a protected class or retaliation within fifteen (15) business days of receiving the formal complaint.

The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations; and
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment of or retaliation toward the Complainant. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if unlawful harassment or retaliation occurred, a preponderance of evidence standard will be used.

The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in harassment of or retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the harassment or retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

The decision of the Superintendent shall be final.

{OR}

~~[] A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written Statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision. The written statement of appeal must be submitted to the () Treasurer/CFO () Board President () Board Attorney ()~~

~~In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.~~

~~**[END OF OPTIONS]**~~

~~The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment or retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.~~

~~The parties may be represented, at their own cost, at any of the above-described interviews/meetings.~~

~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the OCR, the ICRC or the EEOC, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.~~

~~If a complaint is not resolved through the informal complaint process, if one (1) of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or if the individual elects to file a formal complaint initially, the formal complaint process as described below shall be implemented.~~

~~The formal complaint process is not intended to interfere with the rights of an employee, other members of the Corporation community, or third party to pursue a complaint of unlawful harassment with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), and/or to file a concurrent criminal complaint with the law enforcement agency having jurisdiction.~~

~~An individual who believes s/he has been subjected to offensive conduct/unlawful harassment/retaliation hereinafter referred to as the "Complainant", may file a formal complaint, either orally or in writing with a teacher, principal, the Compliance Officer, Superintendent, or other Corporation-level employee. Due to the sensitivity surrounding complaints of unlawful harassment (see definition on page 1) and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, principal, Superintendent, or other Corporation-level employee, either orally or in writing, about any complaint of harassment or retaliation, the employee to whom the complaint is reported must report such information to the Compliance Officer or designee within two (2) business days.~~

~~Throughout the course of the process as described herein, the Compliance Officer should keep the parties informed of the status of the investigation and the decision-making process.~~

~~All formal complaints of unlawful harassment (see definition on page 1) or retaliation must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in, offensive conduct/harassment/retaliation; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.~~

~~If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported complaint by signing the document.~~

~~Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the alleged harasser. In making such a determination, the Compliance Officer should consult the Complainant to assess his/her agreement to any action deemed appropriate. If the Complainant is unwilling to consent any change that is deemed appropriate by the Compliance Officer, the Compliance Officer may still take whatever actions s/he deems appropriate in consultation with the Superintendent and/or Board Attorney.~~

~~Within two (2) business days of receiving the complaint, the Compliance Officer or a designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/unlawful harassment/retaliation.~~

~~Contemporaneously, one (1) of the Compliance Officers or a designee will inform the individual alleged to have engaged in the unlawful harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received. The Respondent will be informed about the nature of the allegations and a copy of the Board's anti-harassment policy shall be provided to the Respondent. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.~~

~~Although certain cases may require additional time, one (1) of the Compliance Officers or a designee will attempt to complete an investigation into the allegations of harassment or retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:~~

- A. interview(s) with the Complainant;
- B. interview(s) with the Respondent;
- C. Interview(s) with any other witnesses who may reasonably be expected to have any information relevant to the allegations; and
- D. consideration of any documentation or other information, presented by the Complainant, Respondent, or any other witnesses that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment (see definition on page 1) or retaliation. The Compliance Officer's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used (i.e., it is more likely than not that unlawful discrimination/retaliation occurred).

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer or the designee, the Superintendent must either issue a decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

A Complainant or respondent who is dissatisfied with the decision of the Superintendent may appeal through a signed written request to the Board of School Trustees within five (5) business days of his/her receipt of the Superintendent's final decision.

If the Superintendent is the Respondent, the appeal process will skip the review by the Superintendent and move directly to the Board. In such circumstances, the Compliance Officer, or the designee, shall prepare and deliver a written report to the Board that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment (see definition on page 1) or retaliation.

The Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of a written request to appeal. At this meeting, the parties have the right to present evidence, including testimony and/or exhibits, to the Board in support of their position. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the Corporation community or third party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The Complainant and the Respondent may be represented, at his/her own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, Equal Employment Opportunity Commission, Indiana Civil Rights Commission, or the filing of a concurrent criminal complaint. Use of the complaint procedures is not a prerequisite to the pursuit of other remedies. Furthermore, the complaint must be investigated even if a separate investigation is being conducted by another agency, including but not limited to the local police department.

Remedial Actions, Sanctions and Monitoring

~~The Board shall vigorously enforce its prohibitions against unlawful harassment (see definition on page 1)/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment.~~

~~If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant. Such remedial action may include, but is not limited to, counseling services, reinstatement of leave taken due to the discrimination, or other appropriate action.~~

~~When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. Retaliation

Any act of retaliation against a person who has made a report, filed a complaint alleging unlawful harassment, or participated as a witness in a harassment investigation is prohibited. Specifically, the Board will not discriminate/retaliate against, coerce, intimidate, threaten, or interfere with any individual because the person opposed any act or practice of unlawful harassment (see definition on page 1), or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing pertaining to unlawful harassment, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by Federal or State laws. Individuals found to have engaged in retaliation shall be subject to disciplinary action, up to and including termination of employment or expulsion from school.

Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

State law requires any teacher or school employee who knows or suspects that a child under the age of eighteen (18) is a victim of child abuse or neglect to immediately report that knowledge or suspicion to the Department of Child Services, Office of Child Protective Services. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant or the alleged victim, a report of such knowledge must be made in accordance with State law and Board Policy. If the Compliance Officer or a designee has reason to believe that the Complainant has been the victim of criminal conduct as defined under State law, such knowledge should be reported to local law enforcement. Any reports made to Child Protective Services or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies.

Education and Training

In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Compliance Officers will oversee training of Corporation employees and students so that they understand their rights and responsibilities under Federal and State law and are informed of the Board's policies and practices with respect to fully implementing and complying with the requirements of Federal and State law. All training regarding the Board's policy and administrative guidelines and harassment in general will be age and content appropriate.

Notice

Notice of the Board's policy on anti-harassment related to employment practices and the identity of the Compliance Officers will be posted throughout the Corporation, and published in any Corporation statement regarding the availability of employment, in any staff handbooks, and in general information publications of the Corporation as required by Federal and State law and this policy.

5517 - ANTI-HARASSMENT

General Policy Statement

It is the policy of the School Board of School City of Hobart Trustees to maintain an education and work environment that is free from all forms of unlawful harassment, ~~including sexual harassment~~, occurring in the Corporation's educational opportunities, programs, ~~and/or~~ activities, or, if initially occurring off Corporation grounds or outside the Corporation's educational opportunities, programs, and activities, affecting the Corporation environment (hereinafter referred to collectively as "unlawful harassment"). This commitment applies to all Corporation operations, educational opportunities, programs, and activities. All students, administrators, teachers, staff, and ~~all~~ other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment occurring in the Corporation's educational opportunities, programs, ~~and/or~~ activities, or, if initially occurring off Corporation grounds or outside the Corporation's educational opportunities, programs, and activities, affecting the Corporation environment. This policy applies to unlawful conduct occurring on school property, or at another location if such affects the Corporation environment.

The Board will vigorously enforce its prohibition against unlawful harassment (~~see definition on page 1~~), that is based on race, color, national origin, sex (~~including gender status, sexual orientation and/or gender identity~~), religion, disability, military status, ancestry, or genetic information, which are classes protected by Federal and/or State civil rights laws (hereinafter referred to as "Protected Classes"), and encourages those within the Corporation community as well as ~~Third Parties~~ ~~third parties~~ who feel aggrieved to seek assistance to rectify such problems occurring in the Corporation's educational opportunities, programs ~~and/or~~ activities, or, if initially occurring off Corporation grounds or outside the Corporation's educational opportunities, programs and activities, affecting the Corporation environment.

Individuals who are found to have engaged in unlawful harassment (~~see definition on page 1~~) will be subject to appropriate disciplinary action, up to and including termination of employment or expulsion from school.

Furthermore, Corporation employees who fail to report any incident of alleged unlawful harassment (~~see definition on page 1~~) that the employee observes or which is reported to the employee also are subject to appropriate disciplinary action, up to and including termination of employment.

Other Violations of the Anti-Harassment Policy

The Corporation also will take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

Bullying

Bullying rises to the level of unlawful harassment ~~(see definition on page 1)~~ when one (1) or more persons systematically and chronically inflict ~~(s)~~ physical hurt or psychological distress on one (1) or more students with the intent to harass, ridicule, humiliate, intimidate or harm that/those student(s), ~~and that bullying is~~ based upon sex, race, color, national origin, religion, or disability, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;
- H. sexual violence;
- I. theft;
- J. sexual, religious, or racial harassment;
- K. public humiliation; or
- L. destruction of property.

In the bullying context, "harassment" means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student that:

- A. places a student ~~or school employee~~ in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Bullying that rises to the level of Sexual Harassment is covered by Policy/AG 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, i.e., sexual harassment prohibited by Title IX, and is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266/AG 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities.

Sexual Harassment

~~Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, "sexual harassment" is defined as:~~

~~Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:~~

- ~~A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's status in a class, educational program, or activity;~~
- ~~B. Submission or rejection of such conduct by an individual is used as the basis for educational decisions affecting such individual;~~
- ~~C. Such conduct has the purpose or effect of interfering with the individual's educational performance; of creating an intimidating, hostile, or offensive learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity.~~

~~Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender. Prohibited acts that constitute sexual harassment may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:~~

- ~~A. unwelcome sexual propositions, invitations, solicitations, and flirtations;~~

- B. ~~sexual violence, including physical and/or sexual assault;~~
- C. ~~threats or insinuations that a person's academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs or events, or other conditions of education may be adversely affected by not submitting to sexual advances;~~
- D. ~~unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls;~~
- E. ~~sexually suggestive objects, pictures, videotapes, audio recordings or literature, placed in the educational environment, which may embarrass or offend individuals;~~
- F. ~~unwelcome and inappropriate touching, patting, or pinching; obscene gestures;~~
- G. ~~a pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another;~~
- H. ~~remarks speculating about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history;~~
- I. ~~inappropriate boundary invasions by a Corporation employee or other adult member of the Corporation community into a student's personal space and personal life;~~
- J. ~~verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex stereotyping that does not involve conduct of a sexual nature;~~
- K. ~~in the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.~~

~~Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education or creates a hostile or abusive employment or educational environment.~~

~~**NOTE: Sexual conduct/relationships with students by Corporation employee or any other adult member of the School Corporation community is prohibited, and any teacher, administrator, coach, other school authority, or staff member who engages in certain sexual conduct with a student may be disciplined up to and including termination and also may be guilty of the criminal charge of "sexual battery" as set forth in I.C. 35-42-4-8. In the case of a child under fourteen (14) years of age, the person also may be guilty of "child molesting" under I.C. 35-42-4-3. In the case of a child between the ages of fourteen (14) and sixteen (16), the person also may be guilty of "sexual misconduct with a minor" under I.C. 35-42-4-9. The issue of consent is irrelevant in regard to the latter two (2) criminal charges. Any employee accused of sexual relations with a student may be placed on leave until school administrative proceedings are completed. Proven sexual relationships with a student regardless of the age of the student will initiate the termination process for the employee.**~~

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's educational performance; ~~of~~ creating an intimidating, hostile, or offensive learning environment; or ~~of~~ interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may include but is not limited to conduct directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references ~~regarding~~ relative to racial customs.

Such harassment may include but is not limited to conduct directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involving religious slurs.

National Origin Harassment

Prohibited national origin harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin and when the conduct has the purpose or effect of interfering with the individual's educational performance; ~~of~~ creating an intimidating, hostile, or offensive learning environment; or ~~of~~ interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may include but is not limited to conduct directed at the characteristics of a person's national origin, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's

disability and when the conduct has the purpose or effect of interfering with the individual's educational performance; of creating an intimidating, hostile, or offensive learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may include but is not limited to conduct directed at the characteristics of a person's disability~~disabling condition~~, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like.

~~Reports and Complaints of Harassing Conduct~~

~~Students, members of the Corporation community and third parties are encouraged to promptly report incidents of unlawful harassment (see definition on page 1) to an administrator, supervisor or other Corporation official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. All Corporation-level employees, including administrators, professional staff and support staff, shall report any incident of alleged unlawful harassment (see definition on page 1) that the employee observes or which is reported to the employee. Individuals should make every effort to file a within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available.~~

~~If, during an investigation of a reported act of bullying and/or harassment in accordance with Policy 5517.01 – Bullying, the principal or his/her designee believes that the reported misconduct may have created a hostile work or learning environment and may have constituted unlawful harassment (see definition on page 1) based on "Protected Classes" (see definition on page 1), the principal or his/her designee will report the act of bullying and/or harassment to one (1) of the Compliance Officers who shall investigate the allegation in accordance with this policy.~~

The Board will provide for the prompt and equitable resolution of complaints alleging harassment based on a protected class.

Students and Corporation employees are required, and all other members of the Corporation community and Third Parties are encouraged, to promptly report incidents of harassment based on a protected class to an administrator, supervisor, or other Corporation official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any teacher, administrator, supervisor, or other Corporation employee or official who receives such a complaint shall file it with the CO within two (2) business days.

Members of the Corporation community, which includes students, who believe they have been unlawfully harassed by another member of the Corporation community or a Third Party are entitled to utilize the Board's complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's participation in educational or extra-curricular programs. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If during an investigation of alleged bullying, aggressive behavior and/or harassment in accordance with Policy 5517.01 - Bullying, the Principal believes that the reported misconduct may have created a hostile educational environment and may have constituted unlawful harassment based on a Protected Class, the Principal shall report the act of bullying, aggressive behavior and/or harassment to one of the COs, who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities. While the CO investigates the allegation or the matter is being addressed pursuant to Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, the Principal shall suspend the Policy 5517.01 investigation to await the CO's written report or the determination of responsibility pursuant to Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities. The CO shall keep the Principal informed of the status of the Policy 5517 - Anti-Harassment investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 -Nondiscrimination on the Basis of Sex in Education Programs or Activities grievance process.

The COs will be available during regular school/work hours to discuss concerns related to "unlawful harassment" on the basis of a protected class, to assist students who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the student. COs shall accept complaints of unlawful harassment directly from any member of the Corporation community or a Third Party and reports that initially are made to another Corporation employee. Upon receipt of a report of alleged harassment, the CO will contact the Complainant and begin either an informal or formal process (depending on the Complainant's request and the nature of the alleged harassment) or designate a specific individual to conduct such a process.

The CO will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All members of the Corporation community must report incidents of harassment based on a Protected Class that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Corporation employee who directly observes unlawful harassment of a student is obligated, in accordance with this policy, to report such observations to a CO within two (2) business days. Additionally, any Corporation employee who observes an act of unlawful harassment is expected to intervene to stop the harassment unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Corporation employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the CO or designee must contact the Complainant if age eighteen (18) or older or the Complainant's parents/guardians if the Complainant is under the age of eighteen (18) within two (2) days to advise of the Board's intent to investigate the alleged harassment. Additionally, if the alleged harasser is a student, the CO or designee must contact the Respondent if age eighteen (18) or older, or the Respondent's parents/guardians if the Respondent is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged harassment.

~~Any Corporation employee who directly observes unlawful harassment (see definition on page 1) of a student is obligated, in accordance with this policy, to report such observations to one (1) of the Compliance Officers within two (2) business days. Thereafter, the Compliance Officer or designee must contact the student if age eighteen (18) or older, or the student's parents if under the age of eighteen (18) within two (2) business days to advise him/her/them of the Corporation's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or designee to conduct an investigation following all the procedures outlined in this policy for a formal complaint. Additionally, if the alleged harasser is a student, the Compliance Officer or his/her designee must contact the student, if age eighteen (18) or older, or the student's parents if under the age of eighteen (18), within two (2) business days to advise him/her/them of the Corporation's intent to investigate the alleged misconduct,~~

~~including the obligation of the Compliance Officer or designee to conduct an investigation following all the procedures outlined for a formal complaint. However, all complaints of harassment involving a Corporation employee or any other adult member of the Corporation community against a student will be formally investigated.~~

~~The Compliance Officers are assigned to accept complaints of unlawful harassment (see definition on page 1) directly from any member of the Corporation community or a visitor to the Corporation, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a Compliance Officer will begin either an informal or formal process (depending on the request of the member of the Corporation community alleging harassment or the nature of the alleged harassment), or the Compliance Officer will designate a specific individual to conduct such a process. In the case of a formal complaint, the Compliance Officer will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. However, if the alleged harasser is the Superintendent, the recommendations shall be submitted to the Board President.~~

~~All Corporation employees must report incidents of unlawful harassment (see definition on page 1) that they observe or that are reported to them to the Compliance Officer within two (2) business days of learning of the incident.~~

Investigation and Complaint Procedure (see Form 5517 F1)

~~Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex Education Program or Activities, any student who alleges to have been subjected to unlawful harassment based on a Protected Class may seek resolution of the complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated. Any employee or other member of the Corporation community or third party (e.g., visitor to the Corporation) who believes that s/he has been subjected to unlawful harassment (see definition on page 1) may seek resolution of his/her complaint through either the informal or formal procedures as described below. Further, a process for investigating claims of unlawful harassment (see definition on page 1) and a process for rendering a decision regarding whether the claim of unlawful harassment (see definition on page 1) was substantiated are set forth below.~~

~~Due to the sensitivity surrounding complaints of unlawful harassment or retaliation, time lines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily within fifteen (15) business days of the complaint being received).~~

~~The procedures set forth below are not intended to interfere with the rights of a student to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education, Office for Civil Rights ("OCR") or the Indiana Civil Rights Commission ("ICRC"). The Chicago Office of the OCR can be reached at John C. Kluczynski Federal Building, 230 S. Dearborn Street, 37th Floor Chicago, IL 60604; Telephone: 312-730-1560; FAX: 312-730-1576; TDD: 800-877-8339; Email: OCR.Chicago@ed.gov; Web: <http://www.ed.gov/ocr>.~~

~~Due to the sensitivity surrounding complaints of unlawful harassment (see definition on page 1), time lines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).~~

~~The informal and formal procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment with the United States Department of Education, Office for Civil Rights (OCR) or the Indiana Civil Rights Commission (ICRC), or to file a concurrent criminal complaint with the law enforcement agency having jurisdiction.~~

Informal Complaint Procedure

~~The goal of the informal complaint procedure is to stop inappropriate behavior promptly and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint.~~

~~The informal process is available only when the Complainant and the Respondent mutually agree to participate in it.~~

~~The Complainant may proceed immediately to the formal complaint process, and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.~~

~~All complaints involving a Corporation employee, any other adult member of the Corporation community, or a Third Party and a student will be formally investigated.~~

~~As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the alleged harassing conduct is unwelcome and must stop. The Complainant should address the~~

allegedly harassing conduct as soon after it occurs as possible. The COs are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to approach the Respondent directly about the allegedly inappropriate conduct may file an informal or a formal complaint.

In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the CO may advise against the use of the informal complaint process.

A Complainant who alleges harassment based on a protected class or retaliation may make an informal complaint, either orally or in writing to: 1) a building administrator; 2) one of the COs; or 3) to the Superintendent or other Corporation-level employee.

All informal complaints must be reported to one of the COs who either will facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Corporation's informal complaint procedure is designed to provide the Complainant with a range of options designed to bring about a resolution of the Complainant's concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve but is not limited to one or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
- B. Distributing a copy of Policy 5517 - Anti-Harassment as a reminder to the individuals in the school building or office where the Respondent works or attends school.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or a designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint.

If the Complainant is dissatisfied with the results of the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

~~The goal of the informal complaint procedure is to stop inappropriate behavior and/or unlawful harassment (see definition on page 1), and to investigate and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student who believes s/he has been unlawfully harassed or retaliated against in the Corporation's educational opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's educational opportunities, programs, and activities, affecting the Corporation environment. This informal procedure is not required as a precursor to the filing of a formal complaint and/or filing a concurrent criminal complaint and will be utilized only where the parties (alleged target of harassment and alleged harasser(s)) agree to participate in such process. Students who believe that they have been unlawfully harassed (see definition on page 1) or retaliated against may proceed immediately to the formal complaint process and individuals who seek resolution through the information procedure may request that the informal process be terminated at any time to move to the formal complaint procedure.~~

~~However, all complaints of unlawful harassment (see definition on page 1) involving a Corporation employee, any adult member of the Corporation community, or a third party against a student will be formally investigated. Similarly, any allegations of sexual violence will be formally investigated.~~

~~As an initial course of action, if an individual feels that s/he is being unlawfully harassed (see definition on page 1) and s/he is able and feels safe doing so, the individual should tell or otherwise inform the harasser that the conduct is unwelcome and must stop. Such direct communication should not be utilized in circumstances involving sexual violence. The complaining individual should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officer(s) is/are available to support and counsel individuals when taking this initial step or to intervene on behalf of the individual if requested to do so. An individual who is uncomfortable or unwilling to inform the harasser of his/her complaint is not prohibited from otherwise filing an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.~~

~~An individual who believes s/he has been unlawfully harassed (see definition on page 1) may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one (1) of the Compliance Officers; and/or 3) to the Superintendent or other Corporation-level employee.~~

~~All informal complaints must be reported to one (1) of the Compliance Officers who will either facilitate an informal resolution as described below on his/her own, or appoint another individual to facilitate an informal resolution.~~

~~The Corporation's informal complaint procedure is designed to provide employees, other members of the Corporation community or third parties who believe they are being subjected to unlawful harassment (see definition on page 1) with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the individual claiming unlawful harassment, informal resolution may involve, but not be limited to, one or more of the following:~~

- ~~A. Advising the individual about how to communicate the unwelcome nature of the behavior to the alleged harasser.~~
- ~~B. Distributing a copy of the anti-harassment policy as a reminder to the individuals in the school building or office where the individual whose behavior is being questioned works or attends school.~~
- ~~C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting between the individual claiming harassment and the individual accused of harassment to work out a mutual resolution. Such a meeting is not appropriate in circumstances involving sexual violence.~~

~~While there are no set time limits within which an informal complaint must be resolved, one (1) of the Compliance Officers or a designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint, may file a complaint with the United States Department of Education, Office for Civil Rights (OCR) or the Indiana Civil Rights Commission (ICRC), and/or may file a concurrent criminal complaint with the law enforcement agency having jurisdiction. And, as stated above, parties may request that the informal process be terminated at any time to move to the formal complaint process.~~

~~One of the Compliance Officers or a designee will retain all materials generated as part of the informal complaint process in accordance with the Board's records retention policy (see Policy 8310, Policy 8320 and Policy 8330).~~

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, the Complainant elects to file a formal complaint from the outset, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process as described below shall be implemented.

A Complainant may file a formal complaint either orally or in writing with a Principal, the CO, the Superintendent, or other Corporation official.

Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a formal complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other Corporation official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints of unlawful harassment or retaliation must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported complaint by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including but not limited to a change of building or class assignment or class schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer still may take whatever actions are deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful harassment or retaliation.

~~[] The principal will not conduct an investigation unless directed to do so by the CO.~~

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 5517 - Anti-Harassment. The Respondent also must be informed of the opportunity to submit a written response to the formal complaint within five (5) business days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of harassment based on a Protected Class or retaliation within fifteen (15) business days of receiving the formal

complaint.

The investigation will include:

- A. interview(s) with the Complainant;
- B. interview(s) with the Respondent;
- C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations; and
- D. consideration of any documentation or other information, presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment of or retaliation against the Complainant. The CO's recommendations must be based upon the totality of the circumstances, including the age and maturity level of any student involved. In determining if unlawful harassment or retaliation occurred, a preponderance of the evidence standard will be used.

[X] The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO/designee, the Superintendent either must issue a decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

If the Superintendent determines the Respondent engaged in harassment of or retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the harassment or retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

[X] The decision of the Superintendent shall be final.

{OR}

~~[] A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision. The written statement of appeal must be submitted to the () Treasurer/CFO () Board President () Board Attorney ()~~

~~In an attempt to resolve the Complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.~~

{END OF OPTIONS}

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment or retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described interviews/meetings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies, such as the filing of a complaint with the OCR or the ICRC, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of the complaint procedures is not a prerequisite to the pursuit of other remedies.

If a complaint is not resolved through the informal complaint process, if one (1) of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or if the individual elects to file a formal complaint

initially, the formal complaint process as described below shall be implemented.

The formal complaint process is not intended to interfere with the rights of an employee, other member of the Corporation community, or third party to pursue a complaint of unlawful harassment with the United States Department of Education, Office for Civil Rights (OCR) or the Indiana Civil Rights Commission (ICRC), and/or to file a concurrent criminal complaint with the law enforcement agency having jurisdiction.

An individual who believes s/he has been subjected to offensive conduct/harassment/retaliation hereinafter referred to as the "Complainant", may file a formal complaint, either orally or in writing with a teacher, principal, the Compliance Officer, Superintendent, or other Corporation-level employee. Due to the sensitivity surrounding complaints of unlawful harassment (see definition on page 1) and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, principal, Superintendent, or other Corporation-level employee, either orally or in writing, about any complaint of harassment or retaliation, the employee to whom the student reports the complaint must report such information to the Compliance Officer or designee within two (2) business days.

Throughout the course of the process as described herein, the Compliance Officer should keep the parties informed of the status of the investigation and the decision making process.

All formal complaints of unlawful harassment (see definition on page 1) or retaliation must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in, offensive conduct/harassment/retaliation; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported complaint by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including but not limited to a change of building or class assignment or class schedule for the Complainant and/or the alleged harasser. In making such a determination, the Compliance Officer should consult the Complainant to assess his/her agreement to any action deemed appropriate. If the Complainant is unwilling to consent any change that is deemed appropriate by the Compliance Officer, the Compliance Officer may still take whatever actions s/he deems appropriate in consultation with the Superintendent and/or Board Attorney.

Within two (2) business days of receiving the complaint, the Compliance Officer or a designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/unlawful harassment/retaliation.

Contemporaneously, one of the Compliance Officers or a designee will inform the individual alleged to have engaged in the harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received. The Respondent will be informed about the nature of the allegations and a copy of the Board's anti-harassment policy shall be provided to the Respondent. The Respondent also must be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, one (1) of the Compliance Officers or a designee will attempt to complete an investigation into the allegations of harassment or retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interview(s) with the Complainant;
- B. interview(s) with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations; and
- D. consideration of any documentation or other information, presented by the Complainant, Respondent, or any other witnesses that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment (see definition on page 1) or retaliation. The Compliance Officer's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of the evidence standard will be used (i.e., it is more likely than not that unlawful harassment or retaliation occurred).

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer or the designee, the Superintendent must either issue a decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

A Complainant or respondent who is dissatisfied with the decision of the Superintendent may appeal through a signed written statement to the Board of School Trustees within five (5) business days of his/her receipt of the Superintendent's decision.

If the Superintendent is the Respondent, the appeal process will skip the review by the Superintendent and move directly to the Board. In such circumstances, the Compliance Officer, or the designee, shall prepare and deliver a written report to the Board

~~that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment (see definition on page 1) or retaliation.~~

~~The Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of a written request to appeal. At this meeting, the parties have the right to present evidence, including testimony and/or exhibits, to the Board in support of their position. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.~~

~~The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the Corporation community or third party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.~~

~~The Complainant and the Respondent may be represented, at his/her own cost, at any of the above-described meetings/hearings.~~

~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the Indiana Civil Rights Commission, or the filing of a concurrent criminal complaint. Use of the complaint procedures is not a prerequisite to the pursuit of other remedies.~~

~~Furthermore, the complaint must be investigated even if a separate investigation is being conducted by another agency, including but not limited to the local police department.~~

Privacy/Confidentiality

The Corporation will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses to the extent possible, consistent with the Corporation's legal obligations to investigate, take appropriate action, and comply with any discovery or disclosure obligations.

All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity.

During the course of a formal investigation, the CO or designee will instruct all members of the Corporation community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken because of the discrimination, or other appropriate action.

The Board may appoint an individual, who may be a Corporation employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

~~The Corporation will employ all reasonable efforts to protect the privacy of the Complainant, the Respondent(s) (that is the individual(s) against whom the complaint is filed), and the witnesses to the extent possible, consistent with the Corporation's legal obligations to investigate, to take appropriate action, and comply with any discovery or disclosure obligations.~~

~~All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed.~~

~~All Complainants proceeding through the formal investigation process should be advised that their identities may be disclosed to the Respondent(s).~~

~~During the course of a formal investigation, the Compliance Officer or his/her designee will instruct all members of the Corporation community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that s/he learns or that s/he provides during the course of the investigation.~~

Remediation

~~In cases where the complaint investigation results in a finding that the allegation of unlawful harassment/retaliation is substantiated, action must be taken by the Compliance Officer to remedy the past effects of such unlawful harassment/retaliation on a student. This may include but is not limited to providing a contact person to monitor the student, providing tutoring to the student, allowing the student to retake tests or assignments, and counseling.~~

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of any relevant collective bargaining agreement or student code of conduct. Any discipline of students with disabilities will be in accordance with the Individuals with Disabilities Education Act ("IDEA") and the Federal and State regulations implementing the IDEA.

When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the age and maturity level of any student involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of any relevant collective bargaining agreement or student code of conduct.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

Retaliation

-

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws or this policy, or exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Sanctions and Monitoring

~~The Board shall vigorously enforce its prohibitions against unlawful harassment (see definition on page 1)/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment.~~

~~While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s), if any. Any discipline of students with disabilities will be in accordance with the Individuals with Disabilities Education Act ("IDEA") and the Federal and State regulations implementing the IDEA.~~

~~When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s), if any, and with Federal and State laws and regulations.~~

~~All subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevents it recurrence, and remedy its effects. Prior sanctions imposed on the Respondent(s) for similar past conduct shall be considered in determining the appropriateness of the sanction(s) imposed for the present conduct.~~

Retention of Public Records, Student Records, and Investigatory Records and Materials

~~All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including but not limited to complaints, responses, witness statements, documentary evidence, audio, video and/or digital recordings, handwritten and contemporaneous notes, e-mails related to the investigation and allegations, printouts, letters, determinations, and summaries. The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).~~

~~The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, Policy 8330 and the Corporation's records retention~~

schedule.

Retaliation

Any act of retaliation against a person who has made a report, filed a complaint alleging unlawful harassment, or participated as a witness in a harassment investigation is prohibited.

Specifically, the Board will not discriminate/retaliate against, coerce, intimidate, threaten, or interfere with any individual because the person opposed any act or practice of unlawful harassment (see definition on page 1), or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing pertaining to unlawful harassment, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by Federal or State laws.

Individuals found to have engaged in retaliation shall be subject to disciplinary action, up to and including termination of employment or expulsion from school.

Allegations Constituting Child Abuse/Criminal Conduct

State law requires any teacher or school employee who knows or suspects that a child under the age of eighteen (18) is a victim of child abuse or neglect to immediately report that knowledge or suspicion to the Department of Child Services ("DCS"). If, during the course of a harassment investigation, the CO or designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report must be made in accordance with State law and Board Policy.

If the CO or designee has reason to believe that the Complainant has been the victim of criminal conduct as defined under State law, a report must be made to local law enforcement.

Any reports made to DCS or local law enforcement shall not terminate the CO's or designee's obligation and responsibility to continue to investigate a complaint of harassment. While the CO or designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies.

Education and Training

In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the Corporation community related to the implementation of this policy and shall provide training for Corporation students and staff where appropriate. All training and information provided regarding the Board's policy and harassment in general will be age and content appropriate.

Retention of Investigatory Records and Materials

The CO is responsible for overseeing the retention of all records that must be maintained pursuant to this policy. ~~Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct~~

~~State law requires any teacher or school employee who knows or suspects that a child under the age of eighteen (18) is a victim of child abuse or neglect to immediately report that knowledge or suspicion to the Department of Child Services, Office of Child Protective Services. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant or the alleged victim, a report of such knowledge must be made in accordance with State law and Board Policy.~~

~~If the Compliance Officer or a designee has reason to believe that the Complainant has been the victim of criminal conduct as~~

~~defined under State law, such knowledge should be reported to local law enforcement.~~

~~Any reports made to Child Protective Services or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies.~~

Education and Training

~~In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Compliance Officers will oversee training of Corporation employees and students so that they understand their rights and responsibilities under Federal and State law and are informed of the Board's policies and practices with respect to fully implementing and complying with the requirements of Federal and State law. All training regarding the Board's policy and administrative guidelines and harassment in general will be age and content appropriate.~~

Notice

~~Notice of the Board's policy on anti-harassment related to employment practices and the identity of the Compliance Officers will be posted throughout the Corporation, and published in any Corporation statement regarding the availability of employment, in any staff handbooks, and in general information publications of the Corporation as required by Federal and State law and this policy.~~
