RESOLUTION NO. 2025-10
National Student Leadership Week

WHEREAS, since its origin stemming from a Presidential Proclamation of Richard Nixon in 1972, National Student Leadership Week has been a national celebration of students sponsored by the National Honor Society, National Junior Honor Society, and National Student Council, and

WHEREAS, National Student Leadership Week is an annual theme-based week dedicated to recognizing and supporting the vital role of students leaders, and

WHEREAS, schools sponsor student leadership activities in order to provide students with vital experience in exercising a voice in matters of common concern, reconciling diverse interests, and selecting leaders, and

WHEREAS, student leaders are a positive influence on their peers, modeling good character and scholarship in and out of the classroom, and serve as change agents to improve the overall climate and academic performance levels of their schools, and

WHEREAS, student leaders do not automatically develop sound leadership skills and require trained, dedicated faculty advisers to help them develop the essential traits and characteristics of a leader and to provide the positive experiences necessary to expand their skills and foster their paths to becoming effective leaders;

WHEREAS, the support of school administrators and faculty, parents, and community members is necessary to help ensure the successful education of all emerging student leaders;

WHEREAS, National Student Leadership Week serves as an ideal time to bring attention to the important and integral contributions that student leaders and all student activities make in our nation's schools;

NOW, THEREFORE, BE IT RESOLVED, that the week of April 24-30, 2025, be designated as Hobart Student Leadership Week.

BE IT FURTHER RESOLVED, that the Board urges Hobart citizens to seek opportunities to recognize student leaders in our schools and support their training and activities as they prepare themselves for their future stations as leaders of our city, state, and nation.
