21 Sports ... 1 Team ... WE ARE HOBART!

One year ago, athletics in the Friendly City ... and all over the world ... were suspended due to concerns about COVID-19. Brickie spring sports were postponed for a month ... then another month ... then cancelled entirely. Thankfully, the IHSAA allowed sports to resume in July and as of tomorrow (3/15), every spring sport offered at HHS will be officially "in-season"!! GOOD LUCK to baseball, softball, tennis, golf and track & field in their RETURN TO GLORY - we've missed you!!

to take one last glance at all the SHINING MOMENTS from the past 4 months in Brickie sports! Our student athletes and coaches WORK WORK WORKed very hard to follow protocols, stay safe, and put something out there that we could be proud of. CONGRATULATIONS to wrestling, gymnastics, basketball and swimming for an AMAZING winter!!

How about ONE SHINING MOMENT to finish the weekend on ... it's time for *BricksCenter!*

Athletic Training

March is recognized as *National Athletic Training Month*. Therefore, it's important for us to recognize and CELEBRATE **Mark Leto** and **Amanda Marshall** for all they do here at HHS to support our student athletes! We are BLESSED to have two AMAZING people filling this integral role for our athletic program! THANK YOU Mark & Amanda - you rock!!

Special Shout Out to Mark for recently being asked to assist as an athletic trainer for the NCAA Men's Basketball Tournament held entirely in Indiana! He will be in Indianapolis covering games during the "Sweet 16"! CONGRATULATIONS MARK!!

The IHSAA released the following statement in honor of Athletic Trainers around the state:

March is National Athletic Training Month

On behalf of the Indiana High School Athletic Association (IHSAA), Methodist Sports Medicine and the Indiana Athletic Trainers Association (IATA), we want to take a moment to say THANK YOU to all the athletic trainers for helping to keep schools and communities safe this year!

Athletic trainers across Indiana have stepped up in this difficult and abnormal time to help battle COVID-19 in many different settings both on and off the field or court. Additionally, athletic trainers have helped Indiana's high school athletic programs navigate through a difficult 2020-21 school year!

We know and understand athletic trainers work diligently behind the scenes for many athletic programs, so it is our intention to express appreciation for the great work you demonstrate daily.

Thank you for all that you do each day to help keep student-athletes healthy and safe!

Sincerely,

IHSAA, Methodist Sports Medicine and the IATA
