INTRODUCTION**

**A. PARTIES**

This agreement is made and entered into this 7th day of November 2024, by and between the Hobart Teachers Association (Indiana State Teachers Association, National Education Association), hereinafter referred to as the "Association," and the Board of School Trustees of the School City of Hobart, hereinafter referred to as the "Board."

**B. RECOGNITION**

The Board hereby recognizes the Association as the exclusive representative for all members of the bargaining unit. The Board agrees not to negotiate with any other "school employee organization" as that term is defined in IC 20-29-2-14 representing employees of the unit set forth for the duration of this Agreement unless otherwise ordered by the Indiana Education Employment Relations Board (IEERB).

**C. DEFINITIONS**

The term "school employee" shall be consistent with the definition set forth in IC 20-29-2-13, as hereinafter amended, supplemented or superseded. ## ARTICLE III WAGE /SALARY-RELATED FRINGE BENEFITS

### A. PROFESSIONAL AND PERSONAL LEAVES

1. Personal Leave - Three (3) personal leave days for personal business shall be granted during the contractual year upon request in writing to the superintendent at least twenty-four (24) hours before taking such leave (except in case of emergency). Such requests shall be made on a Personal Leave Form. Such leaves shall be without loss of compensation for such absence. Unused personal leave shall accumulate from year to year to a maximum of six. Those

personal days, in excess of six, unused shall be added to the accumulated sick leave days on August 1 at the start of the school year in which they are accumulated. Use of personal leave by any one teacher shall not exceed six (6) days in any given school year.

2. Bereavement Leave – A leave of up to seven (7) work days shall be granted following the death of an employee's spouse, parent, child (including a miscarriage or stillbirth), brother, sister, grandparent, grandparent-in-law, grandchild, mother-in-law, father-in-law, daughter-in-law, and son-in-law, step-parent, step-child, or step-sibling, or for which any person the teacher and his/her spouse are responsible. If more than one (1) death in the immediate family should occur, seven (7) full work days shall be granted for each. Leave up to five (5) work days shall be granted for death of aunt, uncle, niece, nephew, brother-in-law, sister-in-law. A leave of one (1) work day shall be granted following the death of a cousin. An employee may request leave from the superintendent to attend the funeral of someone not listed above.

If the employee begins such leave during the first half of the teacher day, that day will be counted as the first day of bereavement. If the employee leaves after that time, the first day begins the following day. These days are not cumulative. If a teacher is an administrator or executor of the estate of a deceased person, two (2) of the bereavement days may be used for that purpose within one (1) year of the date of death.

3. Educational Conference Attendance - All staff members shall be eligible for two (2) days conference attendance with pay. Teachers shall be required to file written requests with the superintendent through his/her designee setting forth the nature of the conference. Requests should be filed, if at all possible, by September 30 of each school year, but in no event later than two (2) weeks prior to the conference. The superintendent has the discretion to approve conference attendance. Such approval shall not be unreasonably withheld. A conference may be announced with less than two (2) weeks' notice; and in such instances, the superintendent may waive the notice requirement. Such dates and days of leave may be extended by approval of the superintendent. Further, teachers may be requested to report the nature of the conference/professional meeting(s) attended and content of the program.

Conference Expenses - Since the School City of Hobart encourages professional growth, the School City of Hobart will pay in part the expenses incurred at professional conferences, workshops and seminars. These expenses would include the cost of hiring a substitute for the teacher(s) involved. This does not include the ISTA Conference.

4. Court Appearance Leave - Leave of absence without loss of pay or other leave days shall be granted for any court appearance where attendance of the teacher is requested by the school administration or prosecutor. A teacher called for jury duty or subpoenaed as a witness in a work-related matter shall be compensated

for the difference between the teaching pay and the pay received for the performance as a juror or a witness.

In the event a teacher is subpoenaed to appear in court on a non-work related matter, the teacher who is subpoenaed may elect to reimburse the school corporation for the cost of the substitute and not use a day of personal business leave.

A leave of absence without loss of pay or other leave days shall be granted for required testimony by a teacher in a criminal proceeding involving an alleged assault and battery committed against a teacher at school or school function.

5. Serious Injury or Illness in the Family – Teachers shall be allowed up to six (6) work days leave per year with pay (not accumulative but deductible from sick leave days) for absences occasioned by such serious illness or injury of the employee's spouse, parent(s), children or any person for whom the teacher is responsible and up to three (3) work days leave for absences occasioned by serious illness or injury of the employee's mother-in-law or father-in-law. If a teacher has used all of his/her available family illness days for a given school year and still needs access to additional accumulated sick leave days, he/she may make a request to use additional sick leave days for family illness to the superintendent who shall have the discretion to grant or deny such request.
6. Association Business Leave - The Association will be granted up to twelve (12) days, for the purpose of lobbying during the long session of the Indiana General Assembly and eight (8) days for such purpose during the short session. In addition, the Association will be granted ten (10) days every year for Association business other than lobbying. The Association President must coordinate the leave with the superintendent. The request will not be unreasonably denied. The Association will reimburse the school employer for the costs of substitutes. These days will not include any days provided under Article II.
7. The School City of Hobart will comply with the provisions of the Family Medical Leave Act of 1993, as supplemented, superseded or amended (herein referred to as FMLA).
8. For absences caused by illness or physical disability of the teacher, each teacher shall be allowed ten (10) days for each year of employment accumulative to 200 days. However, any teacher who has more than 200 accumulated days as of September 1, 2015 shall have that total number of accumulated days as their personal limit. In the event a new teacher shall have accumulated one or more sick leave days in a prior school corporation of this state, then there shall be added for the second year and each succeeding year of such employment up to three (3) days of sick leave until the number of accumulated days to which said teacher was entitled in the last place of employment shall be exhausted. The school employer may require the submission of a physician's certificate of treatment and nature of incapacitation or illness in cases where illness has been frequent or where a reasonable suspicion of abuse exists.

9. Absence due to injury incurred in the course of the teacher's employment shall be charged against the teacher's sick leave days provided that portion of the sick leave days covered by the Indiana Worker's Compensation Act be returned to the teacher. When a teacher has used his/her total accumulation of sick leave days prior to the end of the school year, the Board shall pay to such teacher the difference between his/her salary and benefits received under the Indiana Worker's Compensation Act for a total of not more than thirty (30) additional school days. See below for Long Term Disability insurance.

## **G. EXTRA DUTY CONTRACTS (SEE APPENDIX B)**

### **ARTICLE IV PROFESSIONAL GRIEVANCE PROCEDURE**

#### **1. Definition and Procedure**

- a. "Grievance" - A claim by a teacher, teachers or the Association verified by a signed grievance form alleging there has been a violation, misinterpretation or misapplication of any express provisions of the Agreement may be processed as a grievance as hereinafter provided.
- b. "Work Day" shall be any day when teachers are required to be in attendance during the regular school term and each day during the summer except Saturdays, Sundays, and legal holidays.
- c. During the summer recess, either party may request, in writing, an extension of the time limits set forth in this Article including the reason(s) for such request; such request will be granted upon submission of the above written request. Normally such time limits will not be extended more than thirty (30) days unless by mutual agreement of the parties.
- d. As grievances arise, good morale is maintained by sincere efforts of all persons concerned to work toward constructive solutions in an atmosphere of courtesy and cooperation. The purpose of the grievance procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
- e. Any teacher has the right to be represented at any step of the grievance procedure by representatives of the Association. The grievant and the principal will be limited to the total of two (2) representatives at the Informal Level and Formal Level One.

## 2. Time Limits, Compliance and Submission of Grievance

- a. If an individual teacher has a complaint which he/she wishes to discuss with any member of the school administration, he/she is free to do so without any recourse to the grievance procedure.
- b. No additional evidence, material, allegation, remedy, or defense may be submitted by either party, which has not been disclosed to the opposite party within twenty-one (21) calendar days of an arbitration hearing unless agreed to by both parties.
- c. The superintendent may refer the matter to the principal for an amended answer of the Step I grievance.
- d. The time limits provided for in this Article shall be strictly observed in processing a grievance. The grievance must be processed in accordance with the time limits at each step or the grievance will be considered withdrawn and may not be re-filed. The parties may by mutual written agreement extend the time limits. In the event of illness of a grievant, it is agreed that the time limit will be extended until the grievant returns to work or, in case of extended illness, the Association may pursue the grievance in the grievant's absence.

## 3. Procedure

### a. Informal Grievance

- i. In the event a grievant believes there is a basis for a grievance, he/she must request in writing a meeting to discuss the grievance within twenty (20) work days of when he/she knew or should have known of facts giving rise to the alleged grievance. A mutually agreeable time and place for such a meeting will be established within ten (10) work days of the request. The grievance must be filed with the building principal or his/her designee in the school building in which the alleged grievance arose or occurred.

### b. Formal Step I

- i. If the grievant and/or Association is not satisfied with the disposition of the grievance by the building principal or if no disposition has been made within five (5) days of such meeting(s), the grievance may be submitted to Formal Step I if such grievance is filed within five (5) work days of the answer or after five (5) days from the date of the meeting(s) if no disposition has been made by the principal. The grievant shall set forth the following in writing on the form:

- a. the article(s) and section(s) of the Agreement that allegedly have been violated;

- b. the date the alleged violation occurred;
- c. the known facts that support the alleged violation; and
- d. the remedy sought.

ii. Within five (5) work days after receiving the formal grievance, the principal and the grievant at a mutually agreeable time and place shall meet to discuss the grievance. Within five (5) work days after such meeting, the principal will communicate his/her answer in writing to the grievant(s) on the proper form.

#### 4. Formal Step II - Superintendent

- a. In the event that the grievance is not resolved at Formal Step I, or if no written decision has been rendered within the time limit provided, the grievant may appeal the decision to Step II provided said appeal is filed with the superintendent within twenty-five (25) work days of receipt of the written answer at Step I or within thirty (30) days if no disposition is forthcoming from the building principal. The appeal on the Step II Grievance Form shall include a copy of all materials and evidence previously submitted and a copy, at the same time, shall be given to the building principal.
- b. The superintendent or his/her designee shall meet with the grievant and/or the representative of the Association at a mutually agreeable time on the grievance within ten (10) work days of the receipt of the grievance. Within ten (10) work days from the meeting on the grievance, the superintendent shall render a written decision to the grievant and the Association as to the resolution of the grievance. The superintendent may hold a formal hearing(s) prior to the rendering of the written decision, and additional time, not to exceed ten (10) work days shall be allowed if the superintendent determines further investigation is necessary.
- c. If the grievance involves alleged violation(s) of the contract in more than one (1) school building, the grievance may be filed at Formal Step II in writing within twenty-five (25) days of its occurrence. An additional five (5) days may be taken by the superintendent to submit his/her written answer to the grievant's presentation or grievance. Additionally, affected principals may attend the grievance meeting.

#### 5. Step III – Arbitration

If the Association is not satisfied with the disposition of the grievance, or if no disposition has been made within the period provided in Step II, the grievance shall, upon motion of the Association be submitted to binding arbitration before an impartial arbitrator. The parties shall not submit any grievances to arbitration except those defined by IC 20-28-9 as topics within the scope of bargaining. The Association shall serve written notice to the superintendent of its intent to arbitrate by submitting a copy of its Request for Arbitration Panel from

the Federal Mediation and Conciliation Service (FMCS) within twenty (20) work days after receiving the Step II answer. The Board recognizes the right of the Association to initiate a request for a panel submission and that FMCS is authorized to provide such panel upon such request.

Following submission of a panel of arbitrators to each party by the FMCS, a representative of each party shall within five (5) days of receipt of said panel strike the names of any arbitrators who are unacceptable and number the names of those remaining in order of preference. Within seven (7) days of receipt of the panel from FMCS, the two (2) representatives shall confer either in person or by phone for the purpose of selecting the arbitrator. The numerical ratings of the remaining arbitrators shall be added together with the arbitrator having the lowest total numerical rating being the arbitrator who will hear the case unless that arbitrator disqualifies himself/herself. In the event an arbitrator disqualifies himself/herself, the arbitrator with the next lowest total numerical rating will be requested to hear the case. This procedure shall be followed until an arbitrator is selected.

The conduct of all proceedings hereunder shall be in accordance with the Code of Professional Responsibility for Arbitrators of Labor-Management Disputes as adopted by the National Academy of Arbitrators, the American Arbitration Association and the FMCS.

- a. The arbitrator shall have no authority to add to, subtract from, disregard, or alter any of the terms from this Agreement.
- b. The arbitrator shall have no power to establish new salary structures. No decision in any one (1) arbitration shall require a retroactive wage adjustment for any other member(s) of the bargaining unit if the facts are different.
- c. No formal grievance shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present, nor shall any adjustment of a grievance be inconsistent with the terms of this Agreement, unless by mutual agreement of the parties.
- d. The arbitrator shall have no power to make any decision or recommendation which would require the commission of an act inconsistent with or prohibited by law.
- e. The fees and expense of the arbitrator shall be shared equally by the school employer and the grievant or the grievant's representative. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses incurred by the other.
- f. The arbitrator shall have no power to substitute his/her judgment for that of the school employer as to the reasonableness of any practice, policy, or

any action taken by the school employer not in violation of the express terms of this Agreement.

6. Miscellaneous

- a. Decisions rendered at any step of this procedure shall be in writing.
- b. All documents, communications, and records solely contained in the grievance process shall be maintained in a grievance file separate from the participants' personnel file(s).
- c. The forms for filing and processing grievances and other necessary documents shall be provided by the superintendent and made available through the building principals, the building representatives and the officers of the Association. The forms are also available on the School City of Hobart's website.
- d. Any hearing at the various steps shall be held during non-teaching hours unless the parties agree otherwise. In the event that the parties mutually schedule an arbitration hearing during the teaching hours, teachers who are required to attend such hearings will be given release time without loss of pay to the extent of their necessary participation.
- e. Prior to any arbitration hearing or administrative hearing, the parties shall determine the timelines and the amount of release time necessary.
- f. The election of the grievant and the Association to process a grievance to Step III shall constitute an election of remedies and bar it from pursuing the dispute in other forums, including, but not limited to, courts, the IEERB, and any federal, state or local administrative agency.

**ARTICLE V
