**Subject:** Andrew- Eagle Scout of the Year for Indiana

So proud of Andrew. He was chosen as The Eagle Scout of the year for the District through The American Legion. His application then went to the state level. He was chosen as The American Legion Eagle Scout of the Year for Indiana for 2021. He was recognized today in Indy. Andrew's hard work and dedication to Boy Scouts all of these years has paid off. Joe and I are very proud of the young man that Andrew is becoming.

On a personal note, we had the privilege of being with men and women who have served our country. We are a proud military family. To see the respect that these veterans have for our country and our American flag was very humbling. It was a fantastic experience for Andrew.

Thank you,  
Jane and Joe Clemmons
