RE: School meal prices for 2024-2025
DATE: June 13, 2024

As a requirement of the National School Lunch Program School Food Service-Account Revenue Amendments related to the Healthy, Hunger-Free Kids Act of 2010, school food authorities are required to evaluate their paid lunch prices using the Paid Lunch Equity tool each year. After completing the review it has been determined we do not need to raise our lunch prices for the 2024-2025 SY because of our fund balance. The meal prices will remain the same and that information is as follows:

Elementary paid lunches **\$2.80**; breakfasts **\$1.75**
Secondary paid lunches **\$3.25**; breakfasts **\$2.00**
Reduced breakfasts and lunches **\$0.30** and **\$0.40**
Milk **\$0.50**
Adult meal prices: lunches **\$4.75** and breakfasts **\$2.75**
