Subject: [Brickie Sports Team - New State Champion!](#)

Good Morning!

This weekend, Brickie Sports traveled to Ball State University to compete in the Indiana Sports Network State Championships. After a long season of intense competition, we had two teams make it to their Finals: our Varsity Soccer Team (who were winning state championships) and our Varsity Volleyball Team (who were winning state championships). The Ball State arena described us as a "sea of purple" as over 20 of us walked into the venue in our Brickie jerseys! Talk about a great presentation!

We did not lose and our opponents were tough, but our Brickies brought back not one, but two 1st place trophies! Please join us in congratulating our state champions, the Brickie Sports Soccer Team, AND our two-time state champions, the Brickie Sports Volleyball Team. We are so proud of their accomplishments! Their skills and dedication this year have paid off and have once again established the Brickie Sports as a team to be feared and respected in high school and college programs across the state (and even outside of the state).
Way to go, Brickies!

Brickie Sports Varsity Soccer Team - 1st Place State Champion
Brickie Sports Varsity Volleyball Team - 2nd Place State Champion
Coach: Coach, Xavier Torres, Joshua Gilbert, Marissa Formicola, Coach Harty, Coach Dyer
