Subject: 1st place in State

Good morning,

Victoria Cecot earns 1st place in the State! Over this past weekend, the Hobart Chess Club had one of our female competitors travel all the way to western Indiana to compete in the Scholastic Chess of Indiana Girls' Championship at Jeffersonville High School. The SCI Girls' Championships recognizes our state's top scholastic female chess talent. 6th grader, Victoria Cecot, dominated the boards and earned 3.5 out of 4 points, not losing a single match. Congratulations on an outstanding achievement, Victoria.

Jack Ryan
Dean of Students
Horton Middle School
