Replacement Policy - Volume 37, No. 2 - April 2025

2340 - ~~FIELD STUDY~~ AND OTHER CORPORATION-SPONSORED TRIPS

The School Board recognizes the value of organized trips or other excursions away from the classroom as a valuable part of the School Corporation's educational programming and a valuable opportunity to obtain additional educational experiences not offered directly in the curriculum offerings. These opportunities occur in four (4) primary forms addressed in this policy: a) ~~field study~~ trips; b) extra-curricular/co-curricular program-related trips; c) overnight trips; and d) other Corporation-sponsored trips.

~~Field Study~~ Trips

For purposes of this policy, a ~~field study~~ trip shall be defined as any planned journey for one or more students away from Corporation premises, which is under the supervision of a professional staff member, approved by the (X) Superintendent or (X) Board [END OF OPTION] and furthers or supplements an integral part of a course of study as planned and incorporated into that course of study by the teacher.

Properly planned and executed ~~field study~~ trips should cultivate new interests among students, help students relate school experience to the reality of the world outside of school, bring the resources of the community within the students' learning experience, and afford students the opportunity to study real things and processes in their actual environment.

[X] Out-of-state ~~field study~~ trips that do not include an overnight stay must be approved by the (X) Superintendent ~~or Board~~ [END OF OPTIONS]. [END OF OPTIONAL PARAGRAPH]

~~[] Field trips to destinations more than _____ () miles from the Corporation must be approved by the () Superintendent () Board [END OF OPTION]. [END OF OPTIONAL PARAGRAPH]~~

Extra-Curricular/Co-Curricular Trips

The Board recognizes that student trips will occur for reasons that are not directly incorporated into the curriculum as part of a class, but rather are part of the extra-curricular/co-curricular activities offered by the Corporation. For example, a Corporation athletic team may travel to away games or take a trip to an out-of-town tournament. Any such trips must be identified at the beginning of the activity for the school year or for the particular season. Extra-curricular or co-curricular trips shall be approved by the (X) Superintendent or () athletic director (X) Board [END OF OPTIONS] in accordance with the same procedures used for approving ~~field study~~ trips. In cases where such advance notice is not possible (such as travel to State tournament competition), the staff member responsible for such activity shall notify the (X) athletic director (X) building administrator (X) Superintendent and (X) Board [END OF OPTIONS] of the activity and pertinent information.

~~Extra-Curricular/Co-Curricular Trips~~

The Board recognizes that student trips will occur for reasons that are not directly incorporated into the curriculum as part of a class, but rather are part of the extra-curricular/co-curricular activities offered by the Corporation. For example, a Corporation athletic team may travel to away games or take a trip to an out-of-town tournament. Any such trips must be identified at the beginning of the activity for the school year or for the particular season. Extra-curricular or co-curricular trips shall be approved by the () Superintendent () athletic director () Board **[END OF OPTIONS]** in accordance with the same procedures used for approving field trips. In cases where such advance notice is not possible (such as travel to State tournament competition), the staff member responsible for such activity shall notify the () athletic director () building administrator () Superintendent () Board **[END OF OPTIONS]** of the activity and pertinent information.

Extra-curricular trips that extend to an overnight stay are considered overnight travel, other than IHSA athletic teams participating in State tournaments/meets.

Overnight Travel

Overnight travel is defined as a field study trip that involves one or more overnight stays. The Corporation views overnight travel outside of the Corporation related to the curriculum/program as an adjunct to that curriculum/program. As such, it is an important feature of the overall educational program. The Corporation recognizes the importance of overnight travel outside of the Corporation to amplify and enhance studies that occur in the schools' classrooms through unique enrichment opportunities that are not available locally. Overnight travel shall be approved first by the (x) Principal and (x) Superintendent **[END OF OPTIONS]** in accordance with the Corporation's overnight travel guidelines (x), and then must be submitted to the Board for final approval **[END OF OPTION]**.

[x] International study field trips present special considerations that need to be taken into account when planning these activities. The Board must approve these trips to be considered Corporation-sponsored trips. The Board will approve only international field study trips that are affiliated with a sponsoring or commercial organization that specializes in international travel (x) and that is responsible for establishing the cost of such programs and for collecting payment directly from participating students or their parents. **[END OF OPTION] [END OF OPTIONAL PARAGRAPH]**

[x] Approval of international travel also shall take into account travel warnings for Americans to avoid travel to specified countries. These warnings are issued by the United States Department of State based on current conditions around the world and are updated as deemed necessary. **[END OF OPTION][END OF OPTIONAL PARAGRAPH]**

Other Corporation-Sponsored Trips

Other Corporation-sponsored trips shall be defined as any planned student-travel activity that is approved as part of the Corporation's total educational program, but not a part of a particular course and not expressly connected to an established extra-curricular/co-curricular activity. These trips may include such trips as summer trip programs, youth service trips, and other types of day trips that are organized by or through school staff or facilitated in some fashion through the Corporation.

Trip Approval Process

No staff member may offer or lead any trip as a Corporation-sponsored trip unless the trip has been approved in the manner prescribed in this policy.
