Subject: Chess Tournament

Good evening. Wanted to share the good news.

We had 10 Brickies compete at the Scholastic Chess of Indiana Regional qualifier today: 3 HS; 6 MS; and 1 ES. All 10 qualified for the State Finals taking place Jan 29.

All Brickies displayed great sportsmanship. It was amazing, once again, to see the interaction between the 3 HS students helping the younger ones out. They truly exemplified #BeExcellentOnPurpose.

On a personal note...My son, Zachary (3rd grade), was helped out by all the older kids in between matches. He ended up taking 2nd in his division!

Have a great rest of your weekend.

Josh Reno

Dean of Students

Hobart Middle School
