Dear Dr. Buffington:

Congratulations! The Hobart Redevelopment Commission (RDC) has approved funding for the Project Lead the Way Biomedical and Maker Space portions of the Brickie Innovators program in the amount of \$18,172.95, as outlined in the attached grant agreement. The 3D printing portion of the submitted application is excluded from the agreement and will not be funded through the RDC's 2021 Education & Worker Training Grant program.

We look forward to supporting the School City of Hobart's efforts to prepare students for participation in a competitive and global economy.

Sincerely,
