From Colonel "It has been a challenging weekend for the raider team. Flooded courses, deep mud and temperatures 80 degrees hotter than what we train in. But they did a great job and finished top 10 overall and 3 in the small school division!

Big shout out to Marion and Evansville Harrison (their first time here), the other 2 indiana teams, for placing top 10 overall and for Marion edging us out and placing second in the small school division.

Hobart and Marion were two of the smallest, if not the smallest, programs at nationals. Tough for programs of fewer than 100 cadets to compete with programs of 300, 500 or even more cadets. Very proud of our cadets and our Indiana "cousins" for representing at raider nationals!"
