Subject: 1st place in State

Good morning.

Victoria Cecoi earns 1st place in the State! Over this past weekend, the Hobart Chess Club had one of our female competitors travel all the way to southern Indiana to compete in the Scholastic Chess of Indiana Girls' Championship at Jeffersonville High School. The SCI Girl's Championships recognizes our state's top scholastic female chess talent. 6th grader, Victoria Cecoi, dominated the boards and earned 3.5 out of 4 points, not losing a single match. Congratulations on an outstanding achievement, Victoria.

Josh Reno
Dean of Students
Hobart Middle School
